"BILL" COLE A REAL PIONEER SERVED IN RIEL REBELLION

One of the elder residents of the Grimsby area is Mr. William Cole of Grimsby Beach, who recently (May 3rd) celebrated his 93rd birthday. Mr. Cole has spent some 21 years in this district and before that he spent 47 years in Western Canada.

Bill, as his friends call him, first saw the light, in the year 1857, in the town of Drummondville, which is now a part of the city of Niagara Falls. As a young boy he drove teams of oxen for the local farmers and was taught his elementary school work by a lady of the district.

Boys of that day, however, didn't waste much time on schooling and before long the Coles moved to Ridgeway where Bill was apprenticed into the carriage making trade. While still in Ridgeway Bill's father enlisted to fight the Fenians, who were at that time carrying out their series of famous raids in the area.

Mr. Cole first came to the Grimsby area to work for a summer budding peach trees and then went to Hamilton ("Footin' it") where he was offered a job cutting

cord wood at the high rate of \$2.00 per month. This was not to his liking so Bill decided to head West.

He took a train to St. Boniface where he landed with exactly five cents to his name. To get to Winnipeg, he had to borrow the ten cent fare on the ferry. His first job in the West was on the Canadian Pacific Railroad which was then in the process of construction, and at this he stayed for some years. The construction crews were often in danger from hostile Indians and more than once Bill thought that he wouldn't come out in one piece.

From the railroad, Mr. Cole returned to his old trade and eventually to carpentering and various other jobs. When Louis Riel started his rebellion, Bill enlisted in "The Mounted Scouts" which were under the command of General Stange and Major Walker. The "Scouts" were under the colors of the "Royal Northwest Mounted Police." As a result of his service, Bill was taken on a recent trip to Vimy, France, with some Canadian War Veterans and is a fully paid up member of the local Legion.

(Continued on Page 5)

POLICE OFFICES ARE REVAMPED AND PAINTED

Right in line with the Jaycees' Clean-up Paint-up campaign for the local police offices are receiving a good cleaning and redecorating job. One partition is being moved in order to enlarge the office and other minor changes are being made to increase efficiency. As well as structural changes, a painting job is being done, also some new lighting fixtures are being installed. The Chief, who left last Thursday on his holidays, will have a brand new office to come back to.

STRAWBERRY CROP IS NEARLY WASHED UP

Estimating that many growers will have as low as 10 to 15 per cent yields on the 1949 strawberry crop, A. W. Eickmeier, who undoubtedly can qualify as an authority on the subject stated that the entire yield will not exceed 25 per cent of the 1948 crop.

Monday of this week was the heaviest this season, with only 14x27 quart crates being brought in by growers. In 1948 the heaviest picking at this particular spot was over 850x27 quart crates, this gives us some idea of the scarcity of the product this season. Mr. Eickmeier further predicted that it is quite likely that the strawberry season will be all finished by June 13th.

The dry weather has not only affected the strawberry crop, but will also have a marked result on the early varieties of tree fruits unless the situation is improved very shortly. Early varieties of plums and peaches are very abundant, but the size of these will be considerably below par unless rain falls to alleviate the parched condition of the earth in the fruit belt.

Mr. Eickmeier, who turns out a weekly bulletin which is widely read by those in the fruit marketing industry, is under the belief that sweet cherries will probably turn out a 50% crop, while Montmorencys, the sour variety, will be about the same.

REC DIRECTOR NAMED BY LIONS-OPTIMIST ALLIANCE

At a recent directors meeting the Optimist Club of Grimsby, unanimously agreed to co-operate with the Grimsby Lion's Club in regard to the hiring of a Recreational Director for the Town. A Recreational Council is to be formed, on which will sit the men who have been instrumental in starting the movement toward improved recreational facilities. This group is to appear before the town council in order to obtain the necessary approval and the passing of the bylaw which will create the recreational council. This council will make the town eligible for government grants in aid of the recreational work.

Mr. Frank Pautka, local High School teacher since last Christmas, has been hired as the Recreational Director for the summer. Mr. Pautka was born in Kitchener, Ont., and attended school there. He later attended St. Michael's Col-

lege where he specialized in Mathematics and Physics. He also took P.T. specialists training at the school and was particularly prominent in gymnastic work.

Before coming to Grimsby, Mr. Pautka taught at the Simcoe High and Vocational School where his classes were in P.T. and Mathematics.

As yet Mr. Pautka has not completed his plans for the summer's program but he will shortly be in touch with experts from the Dept. of Education in Toronto, in order to plan an efficient and comprehensive of events.

Beamsville Lions Club will hold their auction sale this Saturday, June 11 (not June 18, as erroneously reported last week). The Optimist Club of Grimsby are holding their gigantic auction at the old Deer Park Home, Grimsby Beach, on Saturday, June 18.

GRADE XIII GRIMSBY HIGH SCHOOL

Nearing the end of their high school days are twenty-four Grimsby High students who are preparing to "wait out" the period until the results come through. This layout as well as many many more will soon be off the press as the official year book *Studeamus* is now nearing completion. Perhaps not everyone will have the opportunity to scan the pages of *Studeamus*, and to we would like you to meet the following via the pages of *The Independent*.

Left, reading top to bottom: Donald Mogg, Mary Shuwers, Bernard MacMillan, Jackie Constable, Centre: Ann Wade, John Maronets, Patricia Merritt, Ronald Arkell. Right: Edward Romanovitch, Betty Shantz, Stephen Fedoryshin, Eleanor Merritt.

Left: Wally Janzen, Geraldine Marsh, Ted Gayowski, Catherine Morrison. Centre: Mary Morris, Joe Ivanski, Dawn Kemp, Lorne Lindensmith. Right: Earle Metcalfe, Barbara Bromley, Irving Fine, Valerie Smith.

FARM SERVICE FORCE CAMP OPENS AT GRIMSBY BEACH

The farmerettes are coming back to Grimsby or more correctly to Grimsby Beach. Ten girls arrived at the Grimsby Beach Camp last night and about 25 are expected to arrive by the 15th of this month. It is hoped by officials of the camp that by the first of the month there will be some 60 girls in residence there.

The staff this year is again headed by Camp Superintendent, Mrs. Blanche Ketcheson, who has had a great deal of experience with the Farm Service Force in this district. Mrs. Ketcheson first worked with the force seven years ago and six of those summers have been spent in Camps in the Grimsby area.

Other members of the staff this year hail from various parts of the province. Mrs. G. Gridley, the camp cook is from Timmins, Miss Freda Milligan, the senior assistant, is from Enterprise, and Miss Betty Rudd, another Camp Assistant is from London. Miss Eunice Davies, the Labor Secretary, hails from Dunnville.

There are a total of 17 buildings at the camp, 11 of which are Neis-

sen Huts, each of which will accommodate four girls. The main building at the camp contains the kitchen, dining hall, common room, and a wash room. The kitchen is well equipped with electric stoves and refrigeration as well as ice refrigeration. In the wash room are all modern conveniences for the girls, including showers, hot and cold running water and so on.

The other camp building is a staff house in which is accommodation for members of the staff, including an office for the Camp Director and for the Labor Secretary.

Girls at the camp this year will come from many parts of Ontario. Among the points represented are Timmins, Kingston, Brockville, Toronto, Smith Falls and Ottawa. Northern Ontario is well represented but as yet no applications have been received from outside of the province.

The camp will be partially occupied only until after the High Schools of the province are through for the summer and then it is hoped that its full complement of 60 girls will be filled.

DEAF-MUTE GETS FOUR MONTHS—CHIEF TAKES THREE WEEK VACATION

Elizabeth Rosyl, alias Deborah Kaufman, the "deaf-mute" gal who caused Chief of Police William James considerable trouble, has been sentenced to four months in the Ontario Reformatory for Females. Chief James closed the case with a conviction and promptly left for Virginia and a well deserved vacation.

The pretty seventeen year-old "deaf-mute" entered the Grimsby scene two weeks ago, and was the cause of many hours of questioning via the exchange of notes, before the officers finally got the story from Windsor and Simcoe police, who have apparently gone through the same routine with the budding young actress.

The girl grinned broadly as Crown Attorney E. H. Lancaster told the court she seemed to have a mania for such mischief, and was at present on suspended sentence for a similar charge in Simcoe.

While Magistrate H. D. Hallett read evidence which the Crown said should not be presented publicly, the buxom "deaf-mute" had to suppress her laughter by raising a dainty hand to her mouth. She still managed to laugh when sentence was pronounced, but this time the effort was a trifle forced.

At any rate the next four months can be used by the young woman to perfect a new role... it would appear that the deaf mute act is just about worn out.

GRIMSBY WEATHER

Week ending at 8 a.m., Monday, June 6, 1949:

Highest temperature 87.0
Lowest temperature 41.6
Precipitation nil

Month of May

Highest temperature 92.0
Lowest temperature 37.0
Precipitation 1.70 inches

WATER RATES DUE TO RISE IN NEAR FUTURE

Grimsby's water rates are due for a raise in the near future, according to Mr. H. Lindensmith, Water Commissioner for the town. The rates to commercial users will be raised and the discount to private users will be lowered. The reasons given for the increase are the recent repair program, higher wages and material costs, also the increase in filtration and settling tank facilities. Further details will be available next week after the matter has been brought before the town council this Friday.

LIEUTENANT-GOVERNOR WILL OFFICIALLY OPEN WINONA LEGION HALL

The visit of the Lieutenant-Governor of Ontario, for the opening of the Winona Legion Hall on June 12, 1949, will be a fitting climax to over a year of hard work by branch members.

To find the true beginning of the movement that will find final achievement on June 12, 1949, however, we must go back several years. Here we will find Branch 196 as a handful of old stalwarts who had kept the Legion alive in Winona in the period between the wars. To them and a few newer "old" members must go the credit for building Branch 196 to its present state as one of the most progressive small-community branches in the Dominion. Through the years they cherished the idea that someday the branch would have a home of its own and it is as a result of their perseverance that the branch early in 1948 found itself in a position to take on the ambitious programme that is now nearing completion.

The building itself, a former Army Hut from the Trades School, was purchased from War Assets in May of last year and was moved to its present location at Barton Street and Station Road in two sections. Much of the work of rearranging the interior fittings and

(Continued on Page 5)

JAYCEES CLEAN-UP CAMPAIGN SHOULD BRIGHTEN UP TOWN

The Grimsby Jaycees got their Clean-up Paint-up campaign off to a bang up start on last Monday night with a "big" parade. The Beamsville Citizens' Band was imported for the occasion as well as a sound car. The Jaycees tuned out in old clothes and with appropriate instruments such as rakes, shovels and hoes, and the whole thing marched off down Main St.

A feature of the show was "Cleanly Copeland" in overalls and on roller skates moving through the parade directing traffic and exhorting the public to support the campaign.

The parade was not, however, the only activity of the evening. A crew of Jaycees moved up and down Main St. applying a stencil to the shop windows to remind the citizens to support the campaign. These stencils will be removed tomorrow night when the Jaycees will be out for the last stunt of the

week. This final stunt will be a spraying of Main Street with D.D.T.

On Wednesday night the Junior Chamber placed wire baskets at various places in which it is hoped that refuse heretofore thrown on the streets will be deposited. All these baskets are marked with the J.C. crest and will be left in place until next year when they will be collected and painted again.

On Wednesday night Fire Chief Alf LePage and his men co-operated with the Chamber as he and his men got out the hose and washed down Main St., followed by a crew of Jaycees who applied the broom. To-night the boys will again be wielding the old paint brushes as they paint cross-walks at all the major crossings in town. At the same time the bus stops at the Main St. depot will be marked. The last stunt of the week by

True independence is never afraid of appearing dependent, and true dependence leads always to the most perfect independence.

A TRIBUTE TO A FINE SON

(As dictated to a stenographer)

I have always claimed that if flowers and tributes were going to be given to a man they should be given to him during his life, not placed upon his casket where he can neither see them or hear them, or even read them.

A good many years ago a young farmer boy and his young bride forsook the clay of Caistor and came to North Grimsby to seek their fortune. While they did not get rich in the terms of gold and government bonds they did get rich in the friendships that they made and in the fine family of boys they raised and sent out into the world. What more does any Father and Mother need so far as riches are concerned.

The Mother, one of the finest women that ever lived in Grimsby or any other town in Canada or any other country.

The Father, a devil-may-care sort of man, but always with an eye to taking care of himself, his wife and his family. A hard working man with the knowledge in his head of how to do work and do it properly. That is the reason why he was for some years the highest paid fruit growing farm employee in this district and growers were clamouring for his services.

I speak of Andrew and Sarah Lavery Swayze. No finer pair of people ever lived in Grimsby than this pair. Andy in his jovial, help anybody sphere of life, would sing you a little song, dance a little jig and tell you a

funny story, in the meantime work like Hades and hours never meant a thing. Sarah was just the same. Bake a cake, make a pie, help make a quilt, in fact do anything for somebody else if it was going to help. No organization in this town ever had a greater helper within their ranks.

Six years ago last April Andy was stricken down and has been bed-ridden ever since, taken care of by that faithful wife, Sarah. The four boys scattered to the four winds, but none of them ever forgetful, but the one boy that does stand out is Harold, or to a lot of people just "Hanky." This boy learned his trade as a steam fitter in Grimsby and went forth into the world. He went to the United States. He had brains in his head and he put them to work. He worked and he studied. Today he is a very highly successful heating engineer, handling big contracts, in the City of Albany, New York state. With what success he has had he and his good wife, Beatrice, have never forgotten Ma and Pa.

Last Spring "Hanky," which I prefer to call him, purchased a fine home on Elizabeth street and converted it into a duplex. Last week Sarah and Andy moved into their new home. Their Own Home, where rent, gas bills, electric bills, water bills, taxes, etc., are now a thing of the forgotten past.

Harold Swayze, you are a worthy son of a fine father and a wonderful mother, may your shadow never grow less.

TOM, OF UNCLE TOM'S CABIN, IN CANADA AND BRITAIN

(By Percy Ghent, in The Toronto Telegram)

During that recent unhappy discussion in Dresden, Ontario concerning the right of Canadian citizens of Negro blood to be served in certain restaurants, it was recalled in the press that Dresden was once the home and became the burial place of the Rev. Josiah Henson, the original Uncle Tom of Harriet Beecher Stowe's world famous story. A book that did much to bring about the American Civil War and the liberation of an enslaved race; a work of fiction with sales that created an all-time record merits interest in any generation no matter how sophisticated.

It was in a weighty magazine, The Rose Jar, published for book collectors in 1905, that we came upon a fascinating article about Uncle Tom's Cabin. Written by Dr. C. M. Clarke, whose father first published the story in England in 1852, it tells dramatic details of the original English edition, copied from the American two-volume issue sans payment or ceremony. Publishing houses in Britain and the United States pirated each other's books without the mildest rebuke from conscience in those days. It was just an old-fashioned custom.

David Bogue was the first English publisher to see Uncle Tom's Cabin fresh from Putnam's of New York. He thought the printing of an English edition too risky a venture. He sent it on to Charles Henry Clarke of the Salisbury-Clarke house. A man of action and quick decision, Clarke kept volume one for his own reading. Volume two he split on twain with a knife, handing one portion to partner Salisbury, the other to reader Frederick Greenwood. "We'll discuss this tale in the morning," he said.

Five Columns of Praise

Discuss it they did, excitedly, and with unashamed emotion. Salisbury confessed that he read it aloud to his wife amid the tears of both. Greenwood said he read it trembling, convinced that its tremendous appeal was beyond the power of any genius to sustain, but sustained it was on every page. Within two weeks the first edition of 5,000 copies in cloth boards, the price half a crown, was on sale.

It fell flat. For weeks sales were so poor that Salisbury and Clarke began to estimate their loss on the deal. What was the matter with stupid British readers? they asked. Apparently they were waiting to read what The Times had to say about Uncle Tom and his cabin. In August the Thunderer had so much praise for the book that it took five columns to express it. That eulogy was echoed by almost every book reviewer in Britain. Uncle Tom's Cabin became the topic of conversation in every corner of the land. Readers were numbered in their thousands. For months printers and binders worked day and night. On the record day of production pressure the Salisbury-Clarke company delivered 60,000 copies to the wholesale trade.

Profits of the firm were enormous. No royalties went to the unprotected author over the ocean, nor had she any legal claim on the publishers of the phenomenally successful reprint. But Clarke recognized his moral obligations to Mrs. Stowe. He sent a messenger to her to convey his thanks and greetings—

and a little gift of a thousand guineas. Mrs. Stowe was delighted. When she wrote the book, she said, it was in the hope that it would sell for enough money to buy a good silk gown.

Queen Greets Uncle Tom

Harriet Beecher Stowe was invited to visit England. She did so in 1853 and was overwhelmed with hospitality. One of numerous gifts she received was an inkstand of solid gold from publisher Clarke. Another of his grateful offerings was a copy of the novel for Queen Victoria, bound in red morocco and with the royal arms in gold on the cover. Greatly impressed by the story, Her Majesty returned sincere thanks.

Some years later Uncle Tom himself, the Rev. Josiah Henson, then of Dresden, Ontario, visited England. Queen Victoria received him graciously at Windsor Castle and heard his story at first hand. Henson was then 78, but full of vigor and with a lively interest in everything about him. He gave many lectures in crowded halls, and had a seemingly endless store of anecdotes his listeners enjoyed.

What the present standing of Uncle Tom's Cabin is among the best sellers of book history we do not know, but it must be a lofty one. It shot like a comet across the literary firmament and still glows, if less brightly. Innumerable editions have appeared from the de luxe variety gold-lettered and leather bound, to that famed British issue of one million copies at a penny price.

In its dramatized form the novel took permanent possession of the stage. At least, it is still a popular feature with travelling shows. But its greatest impact was on United States history. Uncle Tom's Cabin brought the issue of slavery into such widespread discussion that measures for the abolition of the evil became inevitable. Among all the inciting factors of the bitter civil war between the Northern and Southern States, Mrs. Stowe's classic story probably stands first.

Harriet Beecher Stowe, sister of the famous preacher, Henry Ward Beecher, was born in 1811 and died in 1896.

HOW TO GROW OLD

By EDGAR A. GUEST

(The University of Michigan Extension Service is sponsoring a series of twelve lectures for older persons who wish to achieve a useful and pleasant old age. —News Item.)

"When you're over the hill," as the old song goes, And your fingers no longer can touch your toes; When your knuckles swell and your hair is thin And you've lost the will or the wish to grin, Through a dozen lectures you can be told Just how to stay pleasant when you are old.

It is good to know when the blood turns cool And your eyesight dims, you can go to school. When the gravity drips on the vest you wear And your breath runs short as you climb the stair; When you've come at last to the grandpa stage, They'll teach you to master the pangs of age.

I should like to hear what the lecturers say About how to grow old in a gracious way, But somehow I think I should first find out If the teachers know what they're talking about. For if they're still young, then the views they hold May have to be changed when they grow old.

(As dictated but rewritten by my stenographer, as she does not comprehend my vocabulary.)

There is no truth in the report that the Cardy Hotel System is stealing Peggy O'Neil away from The Village Inn. No Peggy, no Inn.

Did you ever hear the story about how Bessie caught the big bad bear? Better go in and ask The Little Shoemaker about this one.

Niagara Packers are safe for another year. Archibald Hugenot Dixon has gone back to work. What's the price of Damsoplums?

Strawberries, Yum, Yum. Thanks to my old friend Dickie Theal I got the first two boxes of home grown, succulent berries sold in a local grocery this season. Dickie is still my pal even if he is a Grit.

Little Herbie Keir, who for the past three months has been confined to hospital and walking on crutches, due to a broken ankle, suffered in Fort Erie while attending a Peach Kings-Manga game, is back on the job as Chief Clerk at The Grimsby House.

NORTHUMBERLAND DESTROYED

The complete destruction by fire of the good ship Northumberland was editorially commented upon by The Standard, who referred to the loss as a personal one to many hundreds of people of this district. This is so very true. The Northumberland and her sister ship the Dalhousie City have provided a lake voyage to many thousands who may throughout a lifetime never have another passage other than that on either of these two ships.

Now one of them is gone, and the loss is a personal one to many of us, who recall pleasant cruises on her usually crowded decks. Definitely the residents of Port Dalhousie will miss the arrival of the Northumberland, as will the thousands who have heard her whistle from the lake, and made their way to the pier to watch the arrival of another crowd of picnickers. For some unexplainable reason it is always a thrill to watch such a vessel slowly enter its berth and send its happy passengers out for a few hours entertainment. Then like a mother its warning whistle brings them back aboard for the return trip over the water . . . and home.

Letters to the Editor

ASSESSMENT MATTERS

May 21, 1949.
Aylmer, Ontario.
25 May, 1949.

The Editor,
The Grimsby Independent,
Grimsby, Ontario.

Enclosed a couple of Letters to the Editors, which I would like you to publish.

Located as I am at the R.C.A.F. Station, 3 miles from Aylmer, Ontario—or to be more explicit—100 miles from Grimsby, I am interested in home town news.

My last effort re-assessment did not even get a rise out of Council. I thought that at least Bill Lethian would "rise to the bait." Guess that I'm just being ignored.

When I was a member of Town Council, I used to fight back. Remember!

Cheerio,

V.F.

A VISITOR'S OPINION OF GRIMSBY

Editor, The Independent,
Grimsby, Ontario.

Dear Sir:

How anybody with any sense of fitness or applied descriptive forms ever called this little town nestling so snugly on the maternal breast of the hillsides, "Grimsby," I cannot grasp. To me it could better be named "Flowdale" or "Bloomland"!

I arrived here amid Jay's gorgeous display of orchard and garden bloom, and felt I had stepped into a regular fairyland. Everywhere I cast my eye, I beheld colour, from the palest of pink tinted blossoms to the flagrant glow of beautiful tulip beds waving a welcome like an international flag exhibition—every gay colour among 'em.

The next thing that impressed me after one or two drives around, was the absence of fences and the generous number of well-trimmed and flowering hedges, bringing memories of England before the War. Hedges to me are friendly.

The quaint Main Street was full of interest, with its oddly assorted type of shop fronts and names, built as it were at the very base of the hill, which no doubt at one time gave a sort of prestige to the higher side, or maybe the earliest days overlooked a vacant space of land.

Call it Grimsby if you like and no doubt there was a reason for naming it so but I'll always think of it under a more suitable cognomen of welcome, and trust are many years I may be back to visit among the pretty little streets so ironically misnamed.

Helen C. Huston

If you cannot see your way to vote Tory, then for God's Sake, Your Sake and Your Country's Sake go and vote Grit. Don't be brainless enough to go out and vote for any of those fly-by-night parties. Self preservation is the first law of nature, so therefore vote Tory.

Chief of Police James says there is no truth in the rumor that Town Council is going to appoint a fourth man to the police force to regulate baby buggy traffic on Main Street. In fact he is happy about the fact that there are so many baby buggies on Main Street. Must have pushed a couple of those contraptions around himself at some time or other.

Those two flower boxes of Red Geraniums, with their heavy green foliage, in front of the Grimsby House, are a sight to behold and a credit to Main Street. So is that bed of Petunias in the flower bed in front of the Mansion Apartments. Gordon Hannah was always a flower lover and a "builder-upper." This is just another one of his good deeds.

I know a place that is going to be packed to the doors and overflowing out through the windows on the night of Saturday, June 25th. That spot is The Village Inn, when that great singer of popular songs, Donald Novis, returns to The Beautiful Oak Room to close the Summer Dancing season at Ontario's great rendezvous for fine food, and entertainment.

During the Mile of Pennies drive 10 days ago for West Lincoln Memorial Hospital, Sammy Levine and his four good sons covered the sidewalk the full width of the store and the depth of the walk with pennies. A goodly sum it must have cost. It caused a lot of favourable talk, but as usual when old soldiers get together, with their jealousies, the question came up about the war service of Sammy. I answered the question and it did not take me 15 seconds. Sammy served for three straight years in the overseas forces of the United States Army in World War I. He was not a conscripted man. He was an enlisted man, at the very date of the U.S.A. declaring war. Kind of think I shut a bunch of blabber-mouths up.

A contemporary weekly editor came in the office the other day. Looked the plant over and expressed surprise at the fact that "Little Dyke" was operating a Vertical Miehle. He queried "how come you people can buy a Vertical." I replied, "we didn't buy it. The Village Banker bought it. We are only paying the banker for it and it takes plenty of pay." Then he asked "how did you get your banker to buy it?" I replied "simply by asking him to loan us the money. No trouble about that. Keep your paper cleared up. Play fair with your money lender and you will never have a bit of trouble about buying anything." I have a sneaking idea that my Brother Editor and His Village Banker do not get on too well. I'm willing to gamble that it is his fault.

For some reason or other there are just three people in this world, who other people come to for free advice, that is the Minister, the Doctor and the Editor. I say free, because they never expect to pay the Minister or the Editor and they do their darndest to get out of paying the Doctor. I have waited a long time to get some minister or some doctor not practicing what they preach. I caught one last week. For years Dr. A. Fleming McIntyre has always told his patients "take plenty of exercise." In fact three weeks ago he told me the same thing. Then last week what do I find? I discover the genial medico between the handles of a lawn mower, but he isn't taking exercise by pushing it, there is a gasoline engine driving it. All the exercise "Doc" was getting was pushing buttons and shoving handles. It's a great world. But "Doc" is going to pull me through in General hospital, just the same.

The annual Nispaq Fishing Expedition took place last Thursday and as usual the fish captured were in the minus column, but I guess the boys had a lot of fun and I understand that the Admiral did not get sunburned this trip. They do tell me that in the course of their travels they landed at St. Anne where Benjamin Headlip, Trainmaster of the T. H. & B. informed them that the fishing pools in the Twenty were so thick with fish on Wednesday that you could walk a half a mile across the creek on their backs. When the boys landed the "schools" had moved to Silverdale. For three years now this gang have promised me a fish. I have never received one yet. If I ever get one it will be one that they bought some place. They had a lot of fun anyway and it will not be many days until the whole crew will be chasing fruit baskets 27 hours a day for four months steady, so they deserved their day of relaxation, fish or no fish, but in my estimation they are the fish.

The hours hang heavy. Nothing else to do but just wander around, I drifted into the Fruit Belt's wonderful Palace of Pleasure the other night. The House of Champions, Grimsby Arena. What a great, big, drab, barren building it was. No brilliant incandescent lights, no beautiful sheet of white ice, no George Marr, no Speck Cornwell, no Old Tom Warner, no Old Pop McVicar strutting across the ice with a determined championship look on his face and the square of his shoulders, no howling thousands demanding admittance and fighting their heads off for their beloved Peach Kings. Just a great big drab old building. What a difference just a few weeks make. Then again what a difference just a few more weeks will make till Big Chief Earl Marsh and his staff will be taking in and shipping peaches, pears and plums by the trainload out of that building. Then as summer filters into Autumn and when the wintry winds begin to blow then Old Tom will be back in his glory. There will again be a beautiful sheet of white ice. The lights will glow. Old Pop will be around there some place. The howling thousands will be on hand and once again the Peach Kings will be on the Championship Trail. But to take a look at that building today you would never think so. Time Marches On.

SOME FOOD FOR A FOUNDLING

The Humane Society for the Prevention of Cruelty to Animals continually urges us to be kind to dumb animals. Perhaps, the animals who need kindness and sympathy most are ones like this three-week-old fox cub, Tishy, now at the London zoo, after being found in the roadway. Tishy is being reared on the bottle by Miss Pat Proctor, supervisor of the children's zoo, who takes him home every night to make sure he gets a "round the clock" meal service.

Strictly Canadian by Claire Wallace

Here comes the Bride! June is the month when the spotlight shines on the bride and, because there are so many duties mixed in with the joys of the occasion, we are devoting this and next week's column to the Etiquette Problems of the Bride.

The bride names the day, decides whether the wedding will be large or small, formal or informal, indoors or outdoors. She chooses the church, or place where the wedding will be held, and names the clergyman.

Family and friends are told of the engagement first or little notes written to those out of town. The public announcement of the engagement and marriage date is made in the newspapers about a month before the wedding. Three weeks before the great day, the invitations go out. The bride may address the envelopes or delegate this duty to someone else.

As gifts come in, the bride writes her thank-you notes immediately and should, if possible, have every one thanked before the wedding day. Although all gifts are addressed to the bride, she acknowledges them in the name of her fiancé as well as herself.

When attending a shower in her honour, she expresses thanks for each gift immediately after unwrapping it. It is not necessary to write afterwards and thank the givers of shower gifts but it is courteous for the bride to write the hostess of each party given in her honour and express appreciation.

The bride should obtain from the groom's family, a list of friends and relatives they would like invited to the wedding. Approximately the same number of guests is invited for each family. The bride also sends wedding invitations to her bridal attendants and to the groom's attendants but not to the clergyman (and his wife) unless they are close friends who would be invited anyway. An invitation to a wedding means the recipient sends a gift. An announcement that a marriage has taken place does not require one.

The bride chooses her attendants and decides on type and colour of costume they will wear. However, she does not bear the expense of their outfits for her wedding. She does order, and pay for, their bouquets (unless she can talk the groom into paying for them) and gives each of her attendants a gift.

The bride never permits the groom to pay for the wedding, or any part of her trousseau or wedding costume. She accepts her wedding bouquet from him, her shoulder bouquet for travelling outfit and a gift. That is all. Here is a list of the things the bride or her parents will provide for the wedding.

Trousseau consisting of wedding outfit, other clothes and usually household linen.

Invitations and announcements. Trousseau tea (optional). Ceremony expenses including awning for church and house. Floral decorations for church and house.

Bouquets for bridesmaids (or groom may pay for these). Motor cars for bridal party from house to church and back.

Organist and singer or choir. Wedding breakfast.

Wedding cake—also boxes to send small pieces of wedding cake to relatives and friends.

The bride's presents to her bridal attendants. These need not be expensive—jewellery or accessories such as compacts are acceptable.

Wedding present to the bride from each member of the family.

Photographs taken of the bridal party or wedding.

slaughter. There is a happy medium in which she looks joyous but modest and turns her gaze to the altar and her bridegroom awaiting her.

For this, the most important appointment in her whole life, the bride should be late!—arriving at the altar one minute after the scheduled hour.

When she joins her groom at the altar, the groom takes the bride's right hand in his and they stand hand in hand, or he may place her hand through his left arm. And here we leave them, at the altar, until next week's column.

Questions - Etiquette - Answers
 Mrs. E. H. Montreal: A bride is not toasted at a shower.

Readers are invited to write Claire Wallace about their Etiquette problems. Address Claire Wallace, care The Grimsby Independent, Grimsby, Ontario.

Hello, Homemakers! Americans have coined a new word—"mixed-upness." It reminds us of house-cleaning since we never saw so many things mixed-up in our drawers and cupboards before. Probably it's because we save everything these days hoping at some future time it will be useful.

Sorting things out and putting fresh paper in the drawers and on the shelves is a job that can take up a lot of time—so make a tentative schedule or the decorator will be at your door before you are ready for him.

If you are doing your own painting be sure and discuss the project with someone of experience. And here are general hints for amateurs.

1. Don't forget to read the label on the paint can or to follow instructions to the word.
 2. Don't work outside in wet weather—immediately after a storm, or too early in the spring before wood has dried out.
 3. Don't paint in very cold weather, as low temperature thickens paint and causes cracking.
 4. Don't try to cover the surface all at once with one heavy coat; several thin coats are better.
 5. Don't paint over the basic coats until thoroughly dry.
 6. Don't neglect proper preparation of surfaces.
 7. Don't use anything but good brushes and reliable thinners.
 8. Don't waste time and money by using poor paint for economy.
- If you belong to the group which dislikes cleaning orgies, you will find that the weekly care of specific rooms will not upset your routine too drastically, and you can take the strictly seasonal jobs, like painting, as they come.
- If you belong to the other group, there are two ways to attack the big job you have set yourself. Take one room at a time and clean it and everything in it. Or, do similar jobs at the same time, cleaning walls and ceilings in two or three rooms in one session.

TAKE A TIP

1. The efficiency of your vacuum cleaner depends upon the condition of the dirt container. Empty it every 2 or 3 days. In many models the end of the bag opposite the one attached to the machine can be opened. A dampened paper bag can be fitted over it and when the machine is turned on, the dust swirls into the paper bag.
2. Do not push vacuum cleaner over pins and sharp articles which may pierce the dirt container.
3. Turn vacuum cleaner off when anything has to be moved out of the cleaning area.
4. Be a leisurely operator of a vacuum cleaner—a quick flight over does not allow the cleaner to pick up the dirt.

Major Details of

The Progressive Conservative Party's Declaration of Policy— Drafted and Approved by Canadians from every Province— Representing Every walk of Life

George Drew

I have now visited all ten provinces since Parliament was dissolved. In one thing there is widespread agreement throughout the whole of Canada: it is time for a change. The important thing for all Canadians to decide between now and June 27th is what that change will be. On earlier occasions over the radio I have put forward some of the reasons why a change is so necessary if we are to restore Parliament to the people and lift the burden of taxation and arbitrary controls from the shoulders of those who are doing the work of the nation in all their daily tasks. At this time, with the election four weeks away, I would like to review some of the major details of the Declaration of Policy which was drafted and unanimously approved by the delegates of our Party from every constituency in Canada and representing every occupation. I have already referred at different times to many of its details. This is no hastily-drafted election manifesto. It is not my statement of policy, or statement prepared by any group or committee. It expressed the unanimous opinion of delegates from every province who met in Ottawa from September 30th to October 2nd last year.

Details are embraced by the three words which interpret the purpose of the undertaking we give to Canadians: *Opportunity, Security, Freedom*. Those words constitute no meaningless, time-worn slogan. They represent the broad purpose of a dynamic and progressive plan of action which we have placed before you as a convincing reason why you should support the Progressive Conservative candidate in your own constituency, no matter what party you have supported in the past.

OPPORTUNITY

First let me refer to the word 'opportunity'. The Progressive Conservative Party will assure opportunity to all our people by:

A bold and progressive national development programme

Canada is on the threshold of her greatest period of development, if a vigorous government, with faith in the future is given the opportunity to bring into production the immense resources which we possess in every part of Canada. While the vast areas of the North challenge our vision and our courage, there is no part of Canada where there are not new opportunities of development if we provide the electric energy and other sources of power which will encourage new industries and new types of agricultural production which can make every part of Canada more productive in the years ahead.

Our national development programme will cover the development of power, oil, coal, mineral resources and the transportation facilities necessary for their full use. In particular we will establish (a) a National Development Advisory Council in co-operation with the provinces; (b) establish a National Power Authority to co-operate with the provinces in the technical examination of possible power development and in the actual development of electric power at cost; (c) undertake the commencement of a joint conservation, irrigation and power project on the Saskatchewan River; (d) encourage the development of power in the Maritime Provinces from coal as well as by other means; (e) promote the development of the great iron ore resources of our country and the establishment of greatly expanded steel industry within Canada; (f) stimulate the development of petroleum and other mineral resources in co-operation with the provinces by taxation and fiscal policies which will encourage the investment of risk capital; (g) institute a vigorous programme of water conservation, reforestation, flood control, irrigation and drainage schemes throughout the whole of Canada for the reclamation of unproductive land and the preservation of our soil, and along with other similar activities in co-operation with the provincial governments; (h) establish a positive programme of marshland reclamation and development; (i) take effective steps at the earliest possible date to co-operate with the provincial governments in building the Trans-Canada Highway and feeder roads, which will not only greatly increase our transportation facilities, but also help to open out the vast possibilities of the tourist business in every part of Canada; (j) remove the discrimination in freight rates between the several geographical areas of Canada so that all sections of our country may receive the full benefit from the development of our great resources; (k) deal effectively with the special transportation problem of Prince Edward Island, Newfoundland, Cape Breton and Vancouver Island; (l) take the necessary steps to proceed with the development of the power and waterways project on the St. Lawrence River.

Expansion of trade

The ultimate value of all our development depends upon the distribution and sale of what we produce. Because of our tremendous producing capacity we are one of the world's great exporters. The external markets for our surplus products contribute very largely to the pay envelopes which buy the food, clothing and other necessities in every Canadian home. Look around you in your own home now. The things you have depend upon that overseas trade, no matter what your occupation may be. Overseas markets have been lost, and our trade is dangerously threatened by the government's foolish trade and

monetary policy. As our trade with Britain and other overseas markets are lost, Canadians are being reassured by the volume of our exports to the United States. We believe in increasing our exports to the United States to the highest possible level. We believe that all Canada's exports can be, and should be, tremendously increased. We know, however, that disastrous results would follow any attempt to depend exclusively upon exports to one nation no matter how friendly that nation may be. The loss of our trade in wheat, lumber, fish, apples, dairy products and the other things that we have been shipping overseas means more than a mere question of dollars and cents. It means a loss of business on the railways, in the seaports, and on the ships which have been carrying this trade to the world. It would dislocate our whole internal trading organization and force serious readjustments of employment with our railways and other transportation services. The Progressive Conservative Party pledges itself to adopt every practical means to expand our internal trade with the United States and with all other nations where we can sell what we produce. By reciprocal trade agreements we will promote and expand our trade overseas and also with the United States. Particularly we will (a) remove all abnormal trade barriers imposed by way of license, quota, or embargo; (b) remove the arbitrary provisions of the Foreign Exchange Control Act; (c) re-value the Canadian dollar within the limits permitted by the Bretton Woods agreement and seek such modification of those agreements as are necessary to permit our dollar to assist our external trade in the normal way; (d) open negotiations immediately for the purpose of making the dollar and pound convertible, so that we may open and expand our lost overseas markets in the sterling area.

Reduction of Taxes

The greatest encouragement to work, production and trade is the opportunity to receive a fair return from which money can be saved for our families, our homes and provision for the future. Even with high earnings today, our present tax system is making it difficult to save and is greatly increasing the cost of everything we buy. Reduction of taxes and sweeping reforms in our system of taxation are necessary to encourage initiative and reward hard work. With that in mind, the Progressive Conservative Party has undertaken to: (a) increase the personal income tax exemption to at least \$2,500 for a married person, and to at least \$1,250 for single persons; (b) increase the exemption for dependent children by \$200; (c) lower the general rate of personal income tax; (d) allow deductions to farmers for work done by members of the family who share the work of the farm; (e) end the persecution of our people by tax-collectors acting under arbitrary power; (f) encourage development and improvement of small businesses operated by the owner by allowing proper exemption for money which is put into the improvement of the business and not paid out in profits; (g) provide for a graduated reduction in taxes on other small businesses upon the portion of the income left in the business for further development and consequently for the increase of employment; (h) abolish nuisance taxes and make substantial reductions in general sales and excise taxes on necessities.

SECURITY

The Progressive Conservative Party assures security to all Canadians by the following Declaration of Policy.

Security of Employment

We believe that the greatest assurance of employment in Canada is based upon the fullest development of our resources which will create new employment across the whole country and increase the

domestic markets for all that we produce. In addition to the discovery and employment of new resources, the remarkable scientific developments of the past few years have greatly widened the use we can make of all the resources we possess. In co-operation with the various provincial governments we will explore every possibility of expanding the opportunities for work by encouraging new types of production.

Contributory Social Security Programme

The Progressive Conservative Party puts forward a contributory social security programme providing the following benefits amongst others:

1. Believing that provision for our senior citizens at a level of payment which will give them a feeling of independence in their retiring years is essential, we have stated that we do not believe that old-age pensions should be regarded as a favour, but should be a right and that no charge should be made on such property as has been saved during their working years, nor should there be any enquiry as to whether some money is being earned by the person receiving the pension. We believe that the laws of the country should not discourage saving during the working years and such work as our people wish to do in their old age. For that reason we provide for old-age pensions at 65 without a Means Test.

2. Unemployment Insurance benefits will be extended to include payments for time lost due to accident or sickness.

3. Adequate medical and hospital care will be provided for our people under a national health programme which will also include the most extensive preventative health services.

4. The same family allowance will be paid for every child, no matter how many children are in the family, and the nutritional and other services for our children will be greatly improved.

These, and other provisions included in our programme, will be worked out in co-operation with the provinces, so that the highly-skilled and experienced public welfare services of the provincial governments will be available.

An Effective Programme for the Construction of Homes

1. Loans and priorities will be made available to those who desire to build their own homes. 2. Low-cost housing can, and will be provided under plans approved by the dominion, provincial and municipal governments which will be administered by the municipalities. 3. The cost of building homes can be reduced by encouraging new types of construction. What is causing so much concern to our people at present is not only the shortage of housing accommodation, but also the excessive cost of small homes, particularly those required by our young people starting out in life. In this respect I might point out that while I was Premier of Ontario we introduced a Housing Act in regard to which the official publication of the Canadian Legion had the following to say and I quote from their editorial: "Veterans everywhere will acclaim the new housing legislation recently enacted in the province of Ontario. In this new housing legislation the Ontario government is blazing new trails, out of which might materialize the long-awaited, over-all plan for the successful solution of the housing problem in every part of the dominion, which the Legion has been pressing for so hard ever since the war ended." The effect and application of this Act was necessarily limited by the overriding authority of the dominion government, which restricted supplies for building homes by their restrictive regulations. We will remove those restrictions and the principles of that Act to which I have referred can be made effective in the wider

May I quote the very first words contained in that Declaration of Policy: "Freedom is one and indivisible. If economic freedom is lost, political freedom will be lost. Economic freedom is the foundation of our democratic system. All history shows that competitive enterprise provides the maximum of production and therefore the maximum of social security. For those reasons we affirm our belief in the principle of economic freedom. Economic freedom will promote thrift, foster and encourage the qualities of self-reliance, industry, and initiative which have brought this nation to its present enviable position. It will preserve and improve our standard of living."

With that statement, and believing in freedom as we do, we have also undertaken to make the necessary amendments in our Criminal Code to deal effectively with those who are working to establish a Communist dictatorship here in Canada. In the name of freedom we do not intend to permit treacherous, anti-Christian agents of that evil tyranny to destroy the freedom for which Canadians paid so great a price. We also believe that our constitution must be respected and observed to preserve national unity and also to make secure our own freedom by those wise balances of authority between the dominion and the provincial governments which were devised as a check on the concentration of power in the hands of the national government. Believing that the strongest basis of freedom is the encouragement offered free people to better their own condition by saving from what they earn and building a home as the centre of the family life, we are opposed to a system of taxation which makes it difficult to save even with the present relatively high earnings.

I take this opportunity to review some of the major features of our policy with particular reference to three words: opportunity, security and freedom.

said by constitutional agreement between the dominion, provincial and municipal authorities who must all play their part in solving this very urgent problem.

Security for our Farmers

Our programme sets out a very complete statement of policy in regard to stability of income for our farmers. I will refer to some of the more important provisions: 1. We undertake to enact floor-price legislation based on the following principles: (a) A definite formula in the Farm Prices Support Act for arriving at floor prices. (b) This formula will allow for variation in production and demand for individual products. (c) Floor prices will be announced well in advance of the production period. (d) The floor price will be arrived at in consultation with representative producers.

We favour the restoration of the Canadian Wheat Board Act of 1935 to serve as a marketing agency for wheat producers. We are in favour of coarse grains as well as wheat being handled on a voluntary basis by the Wheat Board. We assure that producers themselves will decide the method by which their wheat will be handled and sold. This statement of policy, and it is an emphatic statement of policy, is based upon our belief that marketing boards, representative of producer organizations should, and will, determine their own method of marketing. The Wheat Board and all similar producers' boards, will be made up of producers themselves and not be mere agencies of some department of government.

3. We will establish a board of livestock commissioners.

4. We will extend the activities of the Federal Farm Loan Board so that farmers may take advantage of long-term, low-interest rates in the purchase and development of their farms.

5. We will increase the facilities for agricultural research to explore new uses of agricultural products for industrial purposes and in co-operation with provincial Departments of Agriculture conduct thorough studies of contagious animal and plant diseases to reduce the heavy annual loss from this cause.

6. In determining agricultural policy, we will enlist the co-operation of farmers' organizations throughout Canada and those specializing in particular types of production, so that all administrative as well as advisory boards will have representation of those with expert knowledge of the subject upon which they will be asked to deal. These and the other provisions in our agricultural programme are all based upon the belief that the best interests of agriculture throughout Canada can be served under the guidance of those with practical knowledge of each agricultural activity.

Security for Labour

(a) Our national development programme, our proposed tax reform and our plans for the expansion of trade offer the assurance of expanding employment in the years ahead. Good working conditions and satisfactory terms of employment can be assured best by effective laws governing labour relations. In the field of national jurisdiction, the Progressive Conservative Party puts forward a policy based upon the belief that good working conditions for our people and friendly relations between workers and management are not only in the best interests of our workers, but also in the best interests of every Canadian. We believe that the position of labour must be constantly improved and that the security and happiness of all our workers must be protected by legislation which will provide for effective collective bargaining, determination of the mutual rights of workers and management, as well as the conciliation and settlement of difficulties which may arise. With this object in view, we will establish a National Labour Council which will have equal num-

bers of representatives of labour and management. This council will examine and consider the causes of labour disputes and propose satisfactory solutions for such problems. It will also conduct research into the ways in which labour relations can constantly be improved.

(b) We will provide for greater representation of labour on government boards, commissions, and agencies.

(c) We will encourage profit-sharing plans for the sharing of profits of workers by such adjustment in taxation and otherwise as will encourage plans of this kind.

(d) We will constantly improve the legislation providing for compulsory collective bargaining, certification of labour organizations after a majority vote, machinery for conciliation of disputes, fair and adequate wages, standard hours of work having regard to the nature of the industry concerned, and holidays with pay.

We have also an excellent programme for Security for Veterans

We believe that the government of Canada has no greater responsibility than to make adequate provision for the young men and women who served Canada in two world wars. Our Party has at all times insisted that the promises made during the war to those in service should be carried out in the spirit as well as the letter of the assurances which were given. Our programme therefore gives the following undertakings to our veterans:

(a) To establish a standing committee of the House of Commons on Veterans' Affairs which will regularly review all veterans' problems;

(b) to retain and constantly improve all existing veteran legislation;

(c) to eliminate all unnecessary delays in dealing with veterans and to simplify procedure;

(d) to extend pension benefits to the members of the merchant navy;

(e) to accept as the basis for all decisions the medical category recorded on enlistment and to regard physical condition below that standard during service as the actual result of military service;

(f) to stabilize the pensions of veterans of the First World War, providing for upward revision where the disability has increased;

(g) to increase and extend the provision of war veterans' allowances with an increase in the amount that a veteran may earn over and above the allowance paid.

FREEDOM

Our constitutional freedom is based upon the democratic principle that the people's chosen representatives in Parliament are supreme, and have the final responsibility for all laws which affect the rights of our people. This principle is the cornerstone of all our freedom. The Progressive Conservative Party pledges itself to put and end to statism in Canada and terminate bureaucratic action by government order-in-council, ministerial proclamation, and departmental regulation. We will restore responsible government answerable to the elected representatives of the people. We believe in the widest possible measure of personal liberty consistent with law, order and the general national welfare. We are opposed to all powers which invest in the government arbitrary control over the rights of the individual.

We pledge ourselves to restore the full supremacy of the law and the equality of every citizen under the law. We believe that the closer government is to the people, the better government always is. We are determined to conserve the authority of the provincial and municipal governments over those local affairs which can best be dealt with by men and women who are in intimate contact with them. We are strongly opposed to centralization of legislative and administrative power over local affairs, and to any branch of the constitutional

authority of any of the provinces under the British North America Act which made us one nation. On assuming office we will arrange for a dominion-provincial conference to consider all aspects of dominion-provincial relations and establish an effective basis for close and continuing co-operation between all the governments of Canada. We believe that national unity depends upon respect for our federal constitution and the clear definition of the responsibility of the dominion and provincial governments, with assurance of adequate financial resources to carry out those responsibilities and with adequate financial resources to carry out their many very important responsibilities. In preserving our freedom it is essential that freedom of speech be fully protected. For that reason, it must be a matter of concern to all Canadians that the government-owned radio system which plays such an important role in the exchange of ideas should have become a propaganda agency of the government. May I emphasize that in my belief the staff and technical experts of the Canadian Broadcasting Corporation are trying to do a good job under utterly impossible conditions. As you know, any attempt on the part of the employees of the Canadian Broadcasting Corporation to improve the organization only results in immediate disciplinary action. The summary dismissal, for instance, of Mr. Joel Aldred, one of the best known broadcasters of the Canadian Broadcasting Corporation just the day before Parliament dissolved, because he had publicly suggested improvements within that organization, is merely an indication of the extent to which free speech is being restrained by the present government. We undertake to restore freedom of speech over the radio as well as otherwise, and to place the supervision of all broadcasting in Canada under an independent administrative body. We further undertake to abolish the license fee on radio receiving sets. We do this because this license fee, which is supposed to be for the services given by the Canadian Broadcasting Corporation, is unjustified because there are many parts of Canada where our people receive no services from the publicly-owned stations. All our freedom and all our security depend upon our national security and independence. For that reason, one of the first resolutions adopted unanimously by our delegates from every province last October, was an expression of unqualified support for the establishment of a defensive union of the Western Powers, which has since taken form in the North Atlantic Security Pact. Our support of that policy has at all times been stated in the same words and with the same emphasis in every part of Canada. The collective preservation of peace and the combined strength of the free nations now gives increased importance to national defence and the efficiency of our defence forces. We undertake to set up a standing committee on national defence which will keep Parliament and the people informed regarding the state of our defence and will also assure the most effective use of the money we spend for the purpose of providing defence forces.

The points I have covered in these remarks are only some of the progressive, practical and constructive policies which will be put into effect by a Progressive Conservative government. I believe this statement will provide convincing reasons why you should cast your ballot on June 27th for the Progressive Conservative candidate in your own constituency so that the public business of this great country will be handled by a strong, vigorous and progressive government in the years ahead.

JAYCEES CLEAN-UP
The Chamber will be to-morrow night but the week does not end until Saturday night. It was felt that it would be unwise to try to do anything due to the increased amount of traffic on the weekend night.

BILL COLE

During his stay out west, Bill found time to come home for a visit and get married. He took a brief wedding trip to the United States and returned to the west where he remained until 1928. When he came back East, Mr. Cole lived for a short time at the Village Inn, which he termed, "a highly fashionable place," until he bought his present home.

Mr. Cole lost his wife last year and since then has lived alone. He is a non-drinker and smoker ever since he was converted and baptised in a real mountain stream. As Bill puts it, "I became a full grown Baptist."

LIEUT.-GOVERNOR

Installing plumbing and kitchen facilities has been carried out by branch members and other kind and loyal friends who have donated their time and skill to this worthy cause.

The building, measuring 70'x24' stands on a lot 165'x92' leaving plenty of room for expansion in the years to come and enjoys what is probably the most prominent and central location available in the Winona district. The main hall, occupying all one end of the building, measures 50'x24', the remainder of the space being devoted to wash-rooms, a cloakroom and a well equipped kitchen complete with an electric stove and running water.

June 12 will mark the opening of a public meeting place of which any community could be justly proud.

Owing to the limited space available for the ceremony on Sunday, admission to the hall must be restricted to the branch members and their ladies.

NOMINATIONS

of war which people were everywhere feeling and expressed his faith in such measures as the North Atlantic Pact and the United Nations as agents to prevent a conflict. Mr. Edmison ended his talk on the note that such a trip as the one he had just described made one feel just how fortunate we are to be Canadians.

Lion Earl Marsh thanked Mr. Edmison on behalf of the Club.

Other business at the meeting included the reading and acceptance of the nominating committee's report. The following is a brief resume of the committee recommendations for the next year:

Past President—C. D. Millyard.
President—E. J. Marsh.
1st Vice-Pres.—R. B. Johnson.
2nd Vice-Pres.—K. C. Baxter.
3rd Vice-Pres.—W. Hewson.
Secretary—V. Tuck.
Treasurer—F. Jewson.
Tall Twister—F. J. McPhail.
Lion Tamer—F. R. Mitchell.
Directors, Balance 1 year—L. G. Nelles, R. C. Bourne.
Directors, Elected 2 years—H. V. Betzner, H. S. Merritt.

The minutes of the last directors' meeting were read and passed. It was noted that the Boys' and Girls' Committee in conjunction with the Optimists Club had hired Frank Pautka as town recreational director and had approved the idea of setting up a recreational council. A committee was appointed to look further into the matter and to become members of the council when the town council passed the necessary by-law. Such a council would make the town eligible for government aid in the recreational field.

An invitation from Trinity United Church to attend church in a body as a club was received and a number of members signified their intention to attend. The Sunday of the special service will be June 19th.

There was a mistake in the calendar in regard to the date of the second meeting in June. It has been moved forward one day in order to accommodate the management of the Inn and will be held on June 20th, Monday night.

WHALE HORSE POWER

The British Scientific Expedition to the Antarctic has made a report on the blue whale, which, normally weighing some hundred and twenty tons, can cleave the Antarctic waters at 20 knots when it is in a hurry, and maintain a cruising speed of 14 1/2 knots for over two hours at a time.

These remarkable speeds are largely accounted for by the fact that about 40 per cent of the whale's bulk consists of muscle; it has been estimated that when it is moving at 20 knots it develops 520 horsepower. Another factor is the great surface of the whale's tail, which sends a large quantity of water backwards each time the great flukes swing from one side to the other, thus driving the whale through the water much as an oar propels a boat.

Skinny men, women gain 5, 10, 15 lbs.

Get New Pop, Vim, Vigor

What a thrill! Your limbs all out, only halves all up, with no longer weary, but more half-started, sickly "lean-pone" look. Thousands of girls, women, men, who never could gain before, are now proud of shapely, healthy-looking bodies. They thank the special vitamin-rich, food-building tonic, Vitamin B, which stimulates, invigorates, builds, and digests so food gives you more strength and endurance and less on your bones. Don't let getting too fat, keep when you've gained the 5, 10, 15 or 20 lbs. you need for normal weight. Come little, New "Vim" and "Pop" size only 50c. Try famous Vitamin B Tablets for new vigor and added pounds, this very day. At all drug stores.

LOWER PRICES!

If you're thinking of ordering chicks, ask for Bray's list showing wide choice of breeds and crosses—also lower pullet prices for June and July. Whatever you choose there's many years careful skillful selection behind it! Bray Chicks have won reputation for vigor, vitality, fast growth, early full development... important any time, doubly important in hot weather. Don't delay. Start today. Order Bray!

EXPLANATION

Officials of the West Lincoln Branch 127, Canadian Legion, wish to have a correction made, with regard to the report given in last week's Independent, pertaining to the sale of tickets at the recent Legion Sports Meet.

Chairman of the Optimist Ticket Committee, Bob Hyland stated that permission had been refused to sell tickets at this Meet, because the Legion themselves planned on selling tickets for their forthcoming carnival. Hyland was also quoted as saying that these Legion tickets had not been printed at that time.

Speaking for the Legion Col. G. R. Chetwynd, stated emphatically that the Legion tickets were not only printed but were actually on sale until such time as the Amateur Athletic Association requested that no tickets be sold at this event, as it was against their policy.

WHERE TO VOTE

The Town of Grimsby is divided into four divisions for the federal election coming up on Monday, June 27. There are four centrally located polling booths at which you will exercise your valued privilege. As clearly as is possible here are the instructions for you to follow on June 27.

IF YOU LIVE on the west side of Mountain Street and in the area encompassed by the south side of Main Street and Livingston Avenue you will vote at the St. Andrew's Parish Hall. This is Polling Division 118.

IF YOU LIVE on the east side of Mountain Street and in the area bounded by the south side of Main Street to the eastern limits, you will vote at the Baptist Church. This is P.D. 117.

RESIDENTS LIVING NORTH of the Canadian National Railway from eastern to western limits of the town will vote at the Grimsby Flour and Feed, Ontario Street, a few steps north of the railway. This is P.D. 115.

IF YOU LIVE within the area bounded by the C.N.R. to the north and the north side of Main Street and Livingston Avenue from limit to limit you will vote at St. George's Church (formerly Trinity Hall) Depot St. This is P.D. 116.

TRINITY CORNER STONE PLACED THIS SUNDAY

Construction on the new addition to Trinity Church is right on schedule and the laying of the corner stone will take place this Sunday, June 12, at approximately 12:30 p.m. The foundation has been laid and the joists started, so that the work is now up to the point where the cornerstone can be laid.

The ceremony will be held on Sunday morning shortly after the regular church service which will be approximately 12:30 p.m. It is stressed that members of other churches in the community are invited to attend the ceremony as well as any other citizens who may be interested. The laying will not be started until the other churches in the town have finished their morning services so that their members will have an opportunity to get down to the Trinity Church grounds in time for the ceremony.

Baseball Season Opens Here This Saturday

The Grimsby Firemen, local intermediate O.B.A. baseball entry swing into action on their home diamond for the first time on Saturday. Their opponents will be the Caledonia crew which defeated the locals up in Caledonia last Saturday. However, the home club were without several of their players and among these was one of their stronger batteries. The contest on Saturday promises to be a close one with both teams out for a win.

The Firemen are, potentially, one of the strongest teams to come out of the district in some time. They are coached by Ray Bentley, who at the present time is doing some catching for the Peach Kings, and by Chap Gordon, who is well-known in baseball circles here. Local officials are hopeful of strong support from the fans and promise a good display for those who turn out to the diamond at the Public School grounds on Saturday.

NEW OFFICERS AT HAMILTON COLLEGE

At a recent meeting, Mr. C. H. Booth, General Manager of T. Eaton Co., Mr. F. I. Ker, Vice President and Publisher of the Hamilton Spectator, and Mr. C. W. Lockard, President of the International Harvester Co. of Canada Ltd., were elected for a four year term of office to the Management Committee of Hamilton College. They will replace Major General B. C. Mewburn, Dr. H. H. Champ and the late Mr. W. R. Drynan, whose terms of office have expired.

TURNING THE PAGES OF "CANADA UNLIMITED"

"The cod was so thick by the shore that we hardly have been able to row a boat through them." With these words, in 1498, John Mason described fishing on the Grand Banks. By 1504, hundreds of European fishermen were sailing to the east coast of Canada.

Early English fishermen dried their cod on racks in the sun. This meant bases along the coast, and many settlements were founded. French, Basque, Portuguese and Spanish fishermen followed.

For 300 years, French and English fishermen maintained a rich industry. They jealously guarded the Grand Banks, the greatest fishing area in the world. And Canada's inland waters abounded in fresh-water fish, opening up new opportunities in this age-old trade.

In 1886, fishing on the Pacific Coast became important. Today, British Columbia provides half of Canada's yearly catch.

A large part of our 238 million-pound catch in 1948 was sent to many countries. Fishing and its allied industries—canning, processing, extracting meal and oils—play an important part in our lives. Yet, there's room to grow in Canada Unlimited.

Just how much room is told in "Canada Unlimited", an illustrated 144-page book published by the O'Keefe Foundation. You may obtain your copy by sending 25c in cash (no stamps or cheques, please) to "Canada Unlimited", Dept. N3-10, O'Keefe House, Toronto, Ontario. Please print your name and address clearly. All monies received will be donated to the Canadian Citizenship Council.*

Social Events — Personals — Organizations — Club Activities

Mr. and Mrs. Andrew Swayze are now comfortably ensconced in their new home on Elizabeth St.

Mr. and Mrs. Joyce of Montpelier, Vt., have been visitors this week with H. Thornton Stewart and Mrs. Stewart.

Mr. and Mrs. William Hooper, Murray St., Grimsby, have recently returned from a motor trip to New York city.

Mr. and Mrs. Walter Morris are leaving for England to-day via T.C.A. from Malton, Ont. They are planning to visit Mrs. Morris' family in the Old Country.

On Sunday, June 12th, Mr. and Mrs. Webster will be at home, 35 Pearl St., Burlington, and will be pleased to greet their friends, 3 till 6, and 8 till 10 o'clock.

Mr. and Mrs. G. E. Eaton attended the graduation exercises at Toronto University on Tuesday, their daughter Joan graduating with honours and receiving the degree of Bachelor of Music.

Mrs. P. E. Fairbank, formerly of 28 Oak St., Grimsby, entertained at a family dinner at her home, 105 Balmoral Ave. S., Hamilton on Tuesday evening, June 7th, in honour of her mother and father, Mr. and Mrs. J. Webster, on the occasion of their Golden Wedding.

Rev. and Mrs. McLean will be in Toronto for a week in attendance at the Diamond Jubilee Convention of Baptist Churches, meeting from June 9th to 15th. They will officially represent the Grimsby Baptist Church at that gathering.

E. J. Muir who has been spending several months in Scotland and England, returned home on Monday last. Mr. Muir's stay was a most enjoyable one throughout and was rounded off by a fine return voyage. Mrs. Muir and the Misses Smeaton will remain abroad for some weeks.

TRINITY W.A.

Trinity Woman's Association met in the Baptist Hall on Tuesday, June 7th, with a good attendance and Mrs. Harper presiding. Mrs. Strong led in prayer and Miss Doran read the Scripture lesson taken from Matthew 6. The topic was Church and Home Relations. The monthly collection and also the Penny Collections were received. Mrs. Stonehouse, the treasurer, gave a pleasing report and also told of the payment of camp gifts. Mrs. Grossmith reported on the Rummage Sale that her Committee had arranged, where a goodly sum was realized.

Mrs. Taylor asked for donations and received many promises of a great variety of Home Baking for the Sale on June 10th at Miss Margaret Allan's, Main St. East, where an Afternoon Tea is being sponsored by the June Committee. The July Picnic was postponed until there is better accommodation in the new building.

The Bazaar was discussed and it was agreed to leave the plans for that till early fall.

Mrs. Strong offered to convey to Toronto any articles left in the Church entry for Church Relief Abroad.

Mrs. Dymond asked for volunteers to knit articles for the Red Cross during the summer.

Tea was served by Mrs. Garland, Mrs. Cloughley, Mrs. Jeffries, Mrs. McNiven, Mrs. MacAlonen, Mrs. Freedman and Miss Margaret Allan.

This will be the last meeting until early fall when the season begins again.

Bishop Of Niagara

Rt. Rev. L. W. B. Broughall

Retires From Office

Retirement of Right Rev. L. W. B. Broughall as Bishop of Niagara, took effect last Friday.

At a special meeting of the House of Bishops of the Ecclesiastical Province of Ontario, held Thursday, June 2nd, the House accepted the resignation of Bishop Broughall. The special session was called at the request of the Bishop, who asked that his resignation be accepted at once in order to give time for consideration of the appointment of a new Bishop of Niagara at the fall session of Synod.

The following statement has been released by the House of Bishops:

"It is with the utmost regret that the Bishops contemplated losing the wise counsel and long standing association of their fellow bishop who for 50 years has been a priest of the Anglican communion and for the past 17 years has been the beloved and distinguished Bishop of the Diocese of Niagara.

"In deference to the insistence of Bishop Broughall, the resignation was accepted, and at his special request was made effective June 2, in order to facilitate the early election of his successor."

Bishop Broughall completed 50 years in the Anglican priesthood last Sunday, Trinity Sunday. He is particularly well-known and beloved in St. Catharines and was first president of the Rotary Club of the city. He has always shown active interest in community welfare, and in recognition of his services in this connection, the degree of Doctor of Laws was conferred upon him at McMaster University a few weeks ago. He will continue to live in Hamilton with Mrs. Broughall.

TRINITY FAMILY PARTY

For the second time in less than a month, a truck took a crack at the Elizabeth Street subway, this second incident again moving the westbound line of the C.N.R. forcing a slow down order on train traffic until repairs had been made.

A stake truck with trailer piled high with tin cans destined for use at Culverhouse Canning Company, Vineland, and driven by Paul Kenny, entered Elizabeth Street from the Queen Elizabeth Way, and failed to clear the ten foot eight subway by a considerable margin.

Thousands of bright new tin cans were tossed about the scene, while the westbound line of the C.N.R. was moved by the force of the impact. Approximately one third of the 30,000 cans were damaged, estimated loss being \$250.00.

Immediately following the accident Constable Davies was at the scene which was crowded by many children, when an eastbound freight was seen bearing down on the damaged railway line. Constable Davies attempted to have the train stopped, but was unsuccessful. Fortunately the line was not damaged, and a possible disaster was averted.

The clearance of the subway is clearly marked on both sides.

The services of many of the children were enlisted to clear away the debris, and for their efforts they received theatre passes to this Saturday's matinee.

GREEN TREES GUESTS

Mr. and Mrs. P. V. Duning, Chicago, Ill.; Miss M. Spear, Chicago, Ill.; Mrs. A. L. McDonnell, Detroit, Mich.; Miss K. M. McDonnell, Detroit, Mich.; Mr. and Mrs. H. A. Enright, Manchester, England; Miss Pat Enright, Manchester, England.

Mr. G. H. Fisher, Montreal; Miss F. E. Street, Toronto; Mr. and Mrs. B. J. Macdonald, Windsor, Ont.; Mr. and Mrs. G. P. Gould, Detroit, Mich.; Mr. and Mrs. H. A. Crane, Detroit, Mich.; Mr. C. A. P. Powis, Hamilton, Ont.

BAPTISTS CELEBRATE

DIAMOND JUBILEE

From Thursday, June 8th, to Wednesday, June 15th, inclusive, the Baptist churches of Ontario and Quebec will celebrate the sixtieth anniversary of their organization as a Convention.

The Convention is composed of representatives from the local churches chosen on a membership percentage basis.

The government of the churches is congregational and the Convention can only advise and not legislate in connection with local affairs. Most of the work of the denomination, however, can be done more effectively if all churches co-operate. So each year the delegates elect the men and women who will direct these different co-operative activities. These include Foreign Missions, Home Missions, Religious Education (Sunday Schools and Young People's work), Education (colleges, university and theological colleges), Literature publication, church edification, social service and evangelism, church edification, church edification, etc., and at the annual Convention these give reports to the delegates of the work of the previous year and present plans for the coming year's activities for their consideration and action. These delegates act for the churches as they represent and to whom the Boards are responsible.

The regular day time sessions will be held in Trinity United Church, Toronto Bible College building and Walmer Road Baptist Church. Two evening sessions when historical pageants will be given will be held in Massey Hall, on Monday and Tuesday evenings and Rallies will be held in Varsity Arena, Bloor St. W., on Sunday and Wednesday evenings. On Sunday evening the preacher will be Rev. Townley Lord, D.D., prominent Baptist leader from England and on Wednesday evening, Dr. R. J. McCracken of Riverside Church New York, will be the speaker.

It is expected that 5,000 delegates will attend this Convention. It is composed of 418 churches and 29 missions with 232 ordained ministers and 35 student pastors. It has a membership of 52,828, a Sunday School enrollment of 25,952, of 11,100 in its Women's Missionary Societies, 3,104 in its Young People's Societies. The churches gave last year for local work in the churches \$1,421,043.00 and for Missions and other outside interests \$303,948.00.

IN MEMORIAM

LAMPMAN—In loving memory of our dear son and brother, Arnold Lampman, accidentally killed June 11th, 1946.

A day of remembrance sad to recall.

Without farewell you left us all.

Some may forget you, now you are gone.

But we will remember no matter how long.

—Ever remembered by Dad.

Mother, brothers and sisters.

ENGAGEMENT

Mr. and Mrs. G. W. Giedhill announce the engagement of their youngest daughter, Helen June, to Allan E. Poole, eldest son of Mr. and Mrs. William Poole, Beamsville, the marriage to take place on Saturday, June 25th, 8:30 o'clock at St. Andrew's Church.

GUESTS AT EL RANCHO CASABLANCA

Among the recent guests at the El Rancho Casablanca were the following: Mr. Dante Weber, Mr. Bruno Talch and Mr. Giuseppe Roth, all of Milan, Italy, and in Canada as representatives of the Italian Government; Mr. H. Seigfried and his brother, Mr. E. Seigfried of Zug, Switzerland, the former a commissar for U.N. members; Mr. Gabriel Torres, 3rd grandson of the President of Chile, with his sister, Mrs. Leo Jaffre and her husband of New York City; Mr. and Mrs. James Brewer, Pittsburgh, Penn.; Mr. C. Gartner, Cambridge, Mass.; Mrs. Grover Todd and Miss Margaret Armstrong of Pittsburgh, Penn.; Mrs. Sylvia Malcolm, Boston, Mass.; Mrs. J. V. Elliot, Houston, Texas; Mr. and Mrs. L. Campbell, Halifax, Nova Scotia; Mr. and Mrs. C. H. Munson of Montreal, Quebec; Miss Anne Smeltzer, Regina, Saskatchewan; Mrs. Stuart Smith, New York City, and R. A. Carstensen, Los Angeles, California.

CLUB

At St. John's Presbyterian Church this next Sunday, June 12, at the morning service a dedication of furnishings for the Sanctuary will take place. The furnishings consist of four beautiful golden oak chairs, one of which is presented by Mrs. R. Gordon, a memorial to Robert and Robert W. Gordon. The Beaver Club is presenting the other three chairs, one of which is a memorial to "Johnny" Ryan.

These four chairs together with the present three memorial ones will make a complete set for the six Elders and the Minister during the observance of The Sacrament of the Lord's Supper.

Beside the Minister, those taking part in the service will be Mr. Lorne Marshall, representing the Gordon family; Mrs. R. Shafer, Immediate Past President, and Mrs. A. Stevenson, President of the Beaver Club.

The members of the Beaver Club are invited to attend in a body and every member of and adherent is urged to be present at this dedication.

FAMILY PARTY HELD AT BEAMSVILLE TRINITY

Large representations of the Trinity United Missionary organization gathered in the church at the annual Family Party, on Thursday, June 2nd.

Mrs. Bruce Ross, assisted by Mrs. J. B. Stallwood, Mrs. Russell McMillan and Mr. S. Culp conducted the devotional service on the theme, "Keeping the Lord's Day."

"The influence of church women is tremendous," stated Mrs. Ross. By deciding by Sunday is to be observed in individual homes, they can determine community standards to a certain extent." The president, Mrs. Wm. Morris, who was in the chair, gave a brief account of the Sung Dynasty in China, which had lasted for 100 years.

Mrs. F. J. Thomson, Baby Band Superintendent, conducted the programme of the Juniors. A roll call of the 97 Baby Band members was called, many of them being present with their mothers. A delightful programme was given by the various children's organization, the graduation of 17 members from Baby Band to Mission Band being an interesting conclusion to it. Lunch, suited to the different ages present, was served at the close of the meeting.

Most of Canada's rivers drain into Hudson Bay and the Arctic Ocean.

MARRIAGE

KNOX—CLARK

On Saturday, May 7th, 1949, at the home of Rev. F. Manning, Grimsby, Kerry Clark, daughter of Mr. Clark and the late Mrs. Clark, Hamilton, to Ray Knox, son of Mr. and Mrs. Fred Knox, Grimsby.

ST. JOHN'S CELEBRATE 40th ANNIVERSARY

The Woman's Auxiliary of St. John's Church, Winona, celebrated their Fortieth Anniversary on Friday afternoon, June 3rd, with a service in the church at 2.30. The Rector, Rev. A. E. Ongley, was in charge of the service, assisted by Archdeacon Scovill, Grimsby, a former Rector.

The guest speaker was the Right Rev. C. W. White, of Fonthill, recently returned from China, where he has been a missionary for fifty years.

Mrs. McCollum, a member of the choir for many years, sang a missionary solo, and the choir was in attendance.

At the close of the service transportation was provided for all guests to be taken to the Legion Hall where the young married members had prepared afternoon tea.

The president, Mrs. C. J. Bradshaw, presided for the program and Mrs. Geo. Gliddon gave the address of welcome. Mrs. MacNamara, widow of Rev. R. MacNamara, Rector of St. John's from 1902 to 1909, thanked the members for their kind welcome and reminisced on the happy years spent in Winona. The charter members remembered it was through Mrs. MacNamara's zeal for the W.A. and the cause of missions that St. John's Woman's Auxiliary was organized, she being the first president. To show their appreciation the members made Mrs. MacNamara a life member of Wentworth Deanery.

By a request from Mrs. MacNamara, Mrs. Gliddon read the first Roll Call, and of the 29 members, there are only eight living. The five who answered the Roll Call were Mrs. MacNamara, Mrs. C. H. K. Baillie, Mrs. Elmer Biggar, Mrs. Jack Puddicombe and the secretary, Mrs. George Gliddon. The first treasurer, Mrs. Gordon Conant, Oshawa, was unable to be present owing to a previous engagement. Mrs. F. G. H. Pattison and Mrs. Cliff were unable to be present owing to illness. A moment's silence was observed, with a prayer for the members who had passed on.

The cornerstone of the present structure of St. John's was laid on July 20th, 1890, by Judge Muir of Hamilton and dedicated by the Rt. Rev. Charles Hamilton, D.D., second Bishop of the Niagara Diocese, on Sunday, Nov. 2nd, of the same year.

On Jan. 27th, 1891, the Ladies' Aid was formed to aid in furthering the work of the church, and in the Constitution is found this rule: "Contributions of all kinds shall be disposed of by public or private sale as the committee determine, provided that all sales shall be conducted on strictly business principles, and raffles or other means of chance shall not be allowed." In June they had a garden party in Stoney Creek and raised \$167.70, and their desire to aid the church prompted them to donate \$100 toward the debt on the new Stoney Creek rectory, as their Rector, Rev. Howitt, was also in charge of Winona.

In 1904 the Society changed from Ladies' Aid to St. John's Ladies' Guild, and carried on success, fully until organized as the W.A. in 1909.

Approximately 100 guests were present. The corresponding secretary, Mrs. Keith, Millikin, read greetings from many friends who were unable to attend.

The following ladies presided at the beautifully arranged tea table: wives of three former rectors, Mesdames Lowe, Scovill, MacNamara; and Mrs. Arthur Biggar, wife of the Rector's Warden. Mrs. Elmer Biggar, the oldest charter member, cut the beautiful birthday cake. At the close of the afternoon, Rev. A. E. Ongley requested the large gathering to sing Te Deum, in grateful thanks for the many blessings bestowed through the years.

Members who came from a distance were Mrs. MacNamara, Mrs. J. Hodson, Mrs. Fred Woodcock, Miss Street, from Toronto; Mrs. Norris, London; Mrs. C. H. K. Baillie.

DIPPER—TAYLOR

St. Andrew's Anglican Church, Grimsby, was artistically decorated with orange blossoms and white stocks for the Saturday afternoon wedding of Audrey Marie, daughter of Mr. and Mrs. Fred Taylor, to Mr. Donald W. Dipper, son of Mr. and Mrs. Albert Dipper, both families of Grimsby. The Rev. E. A. Brooks officiated at the ceremony. Soloist was Mr. Norman Black, accompanied by organist Frank Holton, both of Brantford.

Given in marriage by her father, the bride was gown in white bengaline whose full skirt extended in a train. She wore an embroidered veil, full length and carried a white Prayer Book and gardenias. Miss Lois Taylor attended her sister, and was gown in peach sheer with hat of the same material, she carried a bouquet of sweet peas.

Tiny Carole Anne Black acted as flower girl, wearing a pale blue sheer dress, and carried pink and blue sweet peas.

Mr. Ross Conley, Beamsville, was the groomsmen; ushers were Mr. Russell Taylor and Mr. Gordon Travis, both of Grimsby.

For her daughters wedding, Mrs. Taylor chose a frock of pale blue with navy accessories, and wore a corsage of pink roses. Mrs. Dipper chose a grey ensemble with navy accessories, and a corsage of red roses.

Following a honeymoon trip to the Thousand Islands, the couple will reside at 172 Palmer Street, Guelph.

Mr. Henderson, Mrs. Gerald Simpson and Bobbie Lou, Mrs. Playle, president of Wentworth Deanery W.A., Hamilton, and the treasurer, Mrs. Alderson, Bartonville; Mrs. Hanson and Mrs. Rodgers, Burlington; Mrs. Fred Mathew, Stoney Creek; Mrs. Wm. Lothian, and other members of Grimsby W.A., Winona United and Gospel Tabernacle.

In charge of the tea were Mesdames Alastair Smith, Lewis Puddicombe, N. Nigh, W. Tunc, assisted by Mesdames R. Macklin, Armand Smith, Freeman McCollum, Mike Glasco, Don McCollum, H. Belton, Wm. Thompson, Douglas Watson, Llewellyn Smith, David Ker, Ernest Honeywell, Max Thompson, Misses Helen Crealock, Ivan Bradshaw, Betty Johnson, Marian Wilkes, Dianne Kaiser, Margaret McIntosh and Mary Ann Neilson.

At present rates a railway box-car has earned less than 80 per cent of its replacement value by the time it is retired from service.

BIRTHS

MURPHY—To Mr. and Mrs. Roger Murphy on Sunday, May 29, 1949, at Mount Hamilton Hospital, a son.

REGIS—To Mr and Mrs. M. D. Regis (formerly Betty Shivas), a son, David Murray. At Private

Patients' Pavilion, General Hospital, Toronto, Monday, May 31, 1949.

COMING EVENTS

THE WOMEN'S INSTITUTE will celebrate their 44th birthday with a Pot-Luck Supper on the

Municipal Grounds, WEDNESDAY afternoon, June 15th, at 5.30. Meeting will follow. Please Note Change of Day.

THE MOTHER'S CLUB will hold its annual picnic on the afternoon of June 15th, at the home of Mrs. George Curtis, 29 Oak St. All mothers welcome.

Grimsby Beach

MISS MAY CRITTENDEN,
Resident Staff Correspondent.

Telephone Your News Items To Her.

Mr. Robert Livesey from Napanee, is spending two week's visiting relatives at the Beach.

Mr. and Mrs. Don Beckstead and Sandy, from Merlin, spent the weekend at the home of Mrs. Charles Durham.

Mr. and Mrs. Norman Gadsby returned last week from their honeymoon trip down through the new England States.

Miss Marion Book who is nursing in the Paris Hospital is spending a month's vacation with her father, Mr. J. A. Book, Park Rd.

Mrs. Fred Jewson entertained a group of young married ladies on Tuesday evening, May 31st, to meet Mrs. H. M. Wilkinson, a newcomer to the Beach.

Mr. and Mrs. Robert H. Reach from Beamsville, have moved to their new home on Park Ave. E., which they purchased from Mr. Rosebrugh.

Miss Peggy Garnham left Montreal on Friday, on the Empress of France, to spend two months in England, France and Spain. Mr. and Mrs. B. Garnham accompanied her as far as Montreal.

Mr. Bert Lowway, Mr. Charles Weech, Mr. Bert Southey and Mr. Lowway's brother from Dundalk, spent the weekend on a fishing trip to Waverley Lodge on the French River.

GRIMSBY BEACH CUB NEWS

The Grimsby Beach Wolf Cubs had an active outdoor meeting last Friday, which was practically a field day of their own, and which went a long way toward qualifying many of the Cubs for their "Athlete" badge.

Akela put the Cubs through their paces in jumping which was a pretty dusty business on the hot day that Friday was! Broad and high jumping both were featured and then some pole climbing just for good measure. Then the Cubs really warmed up at the school racing against Bagheera's tricky timepiece, which proved them all

to have enough "steam" to spin the required number of yards in 10 seconds. Ball throwing and catching followed, then a mad scramble of arms and legs in a frantic effort on the part of each Cub to turn a cartwheel or stand on his head. The latter feat was accomplished by Ben Rideout and Don Cosby, and the cartwheel expert turned out to be Gary Udell.

Our night meeting with the handicraft wind-up had to be postponed until Wednesday. Good hunting, Cubs!

Jacobs' 23rd Re-Union Celebrated At Vinemount

The 23rd annual re-union of the Jacobs family was held in Vinemount Hall, Saturday, June 4th, from 10 o'clock to midnight, with approximately 130 guests present.

The election of officers for 1950 resulted as follows: President, Mr. Lorne Jacobs, Hamilton; secretary-treasurer, Art Sheldrake; sports committee, Connie Jacobs, Ross Jacobs, Stanley Alderson, Hamilton; buying committee, Madames Stanley Anderson, Jim Felker, Stoney Creek.

The family decided to hold the 24th re-union in Vinemount Hall.

Prize winners: Oldest lady, Mrs. Mary Ann Althouse; oldest gentleman, Mr. Ed. Travis, Vinemount; oldest married couple, Mr. and Mrs. Ed. Travis; youngest married couple, Mr. and Mrs. Lorne Travis; youngest baby, Marilyn Gowland, Fulton. Lloyd Travis got the prize for coming the farthest. The largest family was that of Mr. and Mrs. Ed. Travis, with five sons and two daughters present.

The evening program consisted of supper and dancing, with music provided by Mrs. Irene Ross' orchestra from Hamilton.

Prizes for races, games, etc., were won by Georgina Dickson, Dianne Fleming, David Fleming, Billie Anderson, Alice Anderson, Don Sheldrake, Shirley Howard, Lorraine Jacobs, John Felker, Sheila Felker, Mr. and Mrs. E. Thompson, Mrs. J. Felker, Mrs. Roy Anderson.

"More of our friends have Telephones—
and we all use the Telephone more!"

DAY AND NIGHT, seven days a week the telephone is at your service. Quickly and easily it keeps you in touch with everything and everybody everywhere. There are 400,000 more telephones and two million more calls a day than there were three years ago. And service is getting better all the time.

In three years, however, costs of important raw materials for telephone lines and cables have risen sharply. Copper prices have doubled, zinc and lead prices tripled. Yet, up to now, despite rising costs on all sides, there has been no increase in the basic telephone rates established 22 years ago. Few things give you so much real value at such low cost as your telephone.

We've broken all records but there are still orders we haven't been able to fill. We will keep right on working and building to make your telephone service a bigger bargain than ever—to continue to provide more and better service at the lowest possible cost.

**FRUIT
BELT
SOFTBALL**

MAC

Grimsby 6; Smithville 3

The Grimsby Intermediate Softball entry kept their winning stride last Wednesday (June 1st) when they chalked up their second win in as many starts. Their opponents in the second game were the powerful Smithville crew, last year's group champions.

On the mound for Grimsby was the ever steady Gordie Buchanan, who came through with a nice hurling exhibition to strike out 11 with no walks. Ray Bentley was behind the batter for the locals. Batteries for Smithville were Belcot and Book with Belcot having help in the 5th inning when Packham relieved.

Smithville opened the scoring in the 1st when Lymburner romped home on Tyler's single. Grimsby came back in the second as Rupe Gregory rapped a sharp one out to score John Holder. Johnny Belcot's homer in the fourth put Smithville up one, but Demerling scoring on a hit by Neale tied it up again in the 5th. In the sixth the game and the breaks went all Grimsby's way. John Holder scored a fluke homer on a long hit and a bad bounce in the field. Then Gregory scored on Demerling's drive and Mason got on immediately afterward. Buchanan scored them both on a long hit, but was out at home trying to stretch it into a home run. This put the score at Grimsby 6, Smithville 2. Smithville scored again in the 8th to make the final 6 to 3.

	R	H	E
Grimsby	6	9	2
Smithville	3	5	3

Grimsby 10; Beamsville 7

A fairly large crowd turned out on Friday night to catch the opening of the softball season in Grimsby, and the Peach Kings gave their supporters plenty to cheer about, as they defeated Beamsville ten to seven in nine full innings. The win was the third straight for the league leading Peach Kings.

Neither starting pitcher survived, Frank Bouk giving in to Buchanan in the sixth when Beamsville rallied for four runs, while Geddes replaced Beamsville starter Don Konkle in the seventh.

Beamsville took a one run lead in the third but blew up in the fourth when the Kings romped through the batting order scoring five big runs off four hits, a walk and a couple of costly Beamsville errors. Adding two more in the fifth and three in the sixth, including Warren's circuit-clearing smash with one on.

The umpiring was the cause of considerable debate, but from where we sat, both teams received equal amounts of dubious officiating. George Babluk called the balls and strikes. Bud Platts the bases. Both teams are improved over

last year, which should guarantee softball fans of some keen competition between the two towns.

	R	H	E
Grimsby	10	10	2
Beamsville	7	10	5

Beamsville 17; Fruitland 10
Beamsville had little difficulty turning back a Fruitland nine in a Fruit Belt tilt played at Beamsville last Wednesday. Don Konkle started on the mound for the winners. Wilcox going in on relief after Beamsville had taken a commanding lead.

Errors were plentiful, with the winners committing five to the losers four.

Dastous and Garrard went the route for Fruitland. Dastous giving up seventeen hits. Umpires Keiter and Betteridge.

	R	H	E
Beamsville	17	17	5
Fruitland	10	6	4

Stoney Creek 22; Taplestown 5

Stoney Creek walloped Taplestown on the Taps home diamond, the Creekers showing plenty of batting prowess in ringing up twenty-eight hits for twenty-two runs, while the losers had trouble getting the runs over home plate, although they chalked up sixteen hits against two Creek hurlers.

Baker and Duncan shared the pitching chores for the Creek, Purcell and Clark for the losers. The Creek scored eight big runs in the first inning to settle the contest.

	R	H	E
Stoney Creek	22	28	6
Taplestown	5	16	13

Umpires—O'Brien and Watt.

Grimsby 12; Fruitland 4

The Grimsby Peach Kings extended their current winning streak in the Fruit Belt Softball League to four games last Monday night as they took the Fruitland entry into camp by a 12 to 4 score. Frank Bouk went the route for the locals and led the parade with two nice homers. Gregory, Mason and Demerling each scored two while Bentley, Holder, Robertson and Smith were good for one each. For the Fruitland club, M. Lee started but had to have help from Dastous in the sixth. Behind the bat for the locals was Bentley for five and then last year's backstop, Mel Smith, took over to finish. Mike Prodeus caught for the Fruitland nine. Fruitland scored all their runs in the sixth inning.

One injury occurred during the game when Don Hopcroft, of the Fruitland team, twisted a knee at second base and had to retire from the game.

The first known international telephone connection was made by submarine cable between Windsor and Detroit in 1881.

"DERBY CHAMP"

This might be a Grimsby boy! Above is last year's winner of the National Soap Box Derby at Derby Downs, Akron, Ohio. Six local boys have entered the semi-final race at St. Catharines on July 16, the winner of which will be eligible to compete in the final race at Akron. Local boys in the Derby are David York, sponsored by Harris Motors; Clarence Zeigler, sponsored by J. B. McCausland; Brian Jones, sponsored by Lewis Jones; George Stuart, sponsored by Niagara Packers, and George Ellis, sponsored by The Pittsburg Water Heater Company. Entries for the St. Catharines Derby are now closed and racers must be completed by July 2nd, so that trials may be held on July 9th. (Note: The Independent regrets that the name of one Grimsby competitor and that of his sponsor has as yet not been communicated to us.)

MAN SAVES FELLOW-WORKER FROM DROWNING IN HARBOUR

1. A non-swimmer, Caughell fell from a scaffold strung on ropes about 25 feet up the side of one of the towering "spuds" supporting the dredge.

3. A rope was thrown to the two men and soon they were being hauled up to the deck of the dredge. A near tragedy had been averted.

WINS DOW AWARD

MARVIN ORR

of St. Thomas, Ont.

dives from deck to make dramatic rescue

Working on a dredge in Port Stanley harbour, Clarence Caughell was on a scaffold 25 feet up the side of one of the "spuds" which support the dredge. Losing his balance, he fell into the cold harbour waters. Seeing his comrade dazed and floundering, Marvin Orr leaped from the upper deck and swam to the rescue. Both wore overalls and work boots, but Orr succeeded in getting a grip on his friend and both were hauled to safety.

We are proud to present Marvin Orr with The Dow Award.

THE DOW AWARD is a citation presented for acts of outstanding heroism and includes a \$1000 Canada Savings Bond. The Dow Award Committee, a group of editors of leading Canadian daily newspapers, selects winners from recommendations made by a nationally known news organization.

DOW BREWERY - MONTREAL

John and Peggy

and Peter and Joan

PARDON our pointing . . . with pride.

But it's an event when the number of bank workers passes the 40,000 mark—as it did last year.

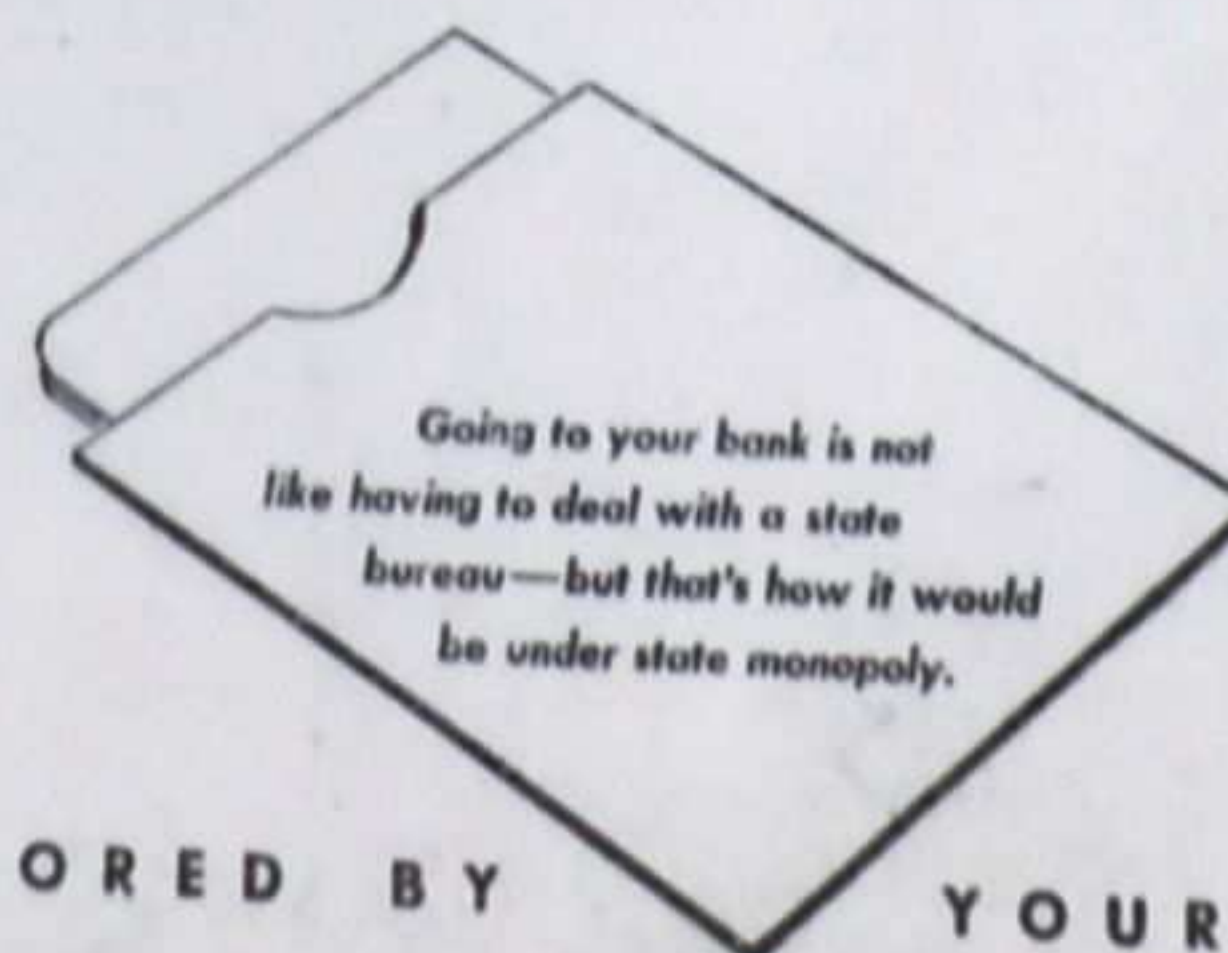

That's 65% more than before the war.

It's an event, first, because it shows the increased use of Canadian bank services . . .

More deposit accounts: now over seven million.

More funds: customers' deposits now reach nearly seven billion dollars. More services: to farmers; to personal and small-business borrowers; to war pensioners; to people receiving Family Allowances.

It's an event, too, because of the kind of men and women who have joined our ranks. Eager to get ahead, they are finding in banking an interesting job, a challenging career. They can tell you how important privacy in banking is to the Canadian way of doing things.

SPORTS

FIREMEN DROP FIRST BASEBALL FIXTURE

The Grimsby Intermediate Hardball entry experienced its first start and its first defeat on last Saturday night in Caledonia. Final score was eleven to one in seven innings of play. The Grimsby boys were without several of their regulars but nevertheless it was the end of the fifth inning before the mountaineers started the big rally that broke the game up.

Gordie Anderson started for the locals and lasted well until the fifth when he had to have help from Allan Scrivener.

The Caledonia nine are playing a return game in Grimsby this Saturday night. This will be the locals first home game and it is hoped that a good crowd will turn out. Doug Alton will start for the Grimsby Firemen on Saturday and officials of the club have every confidence that the boys will come through with a win.

BEACH SPORTS DAY

On Wednesday afternoon, June 1st, the pupils of the Grimsby Park School enjoyed their third annual Sports Day, which is sponsored by the ladies of the Parents' and Teachers' Association. On such a beautiful afternoon, the children enjoyed the various events, the results of which were as follows: (Note—The names are listed in the order of first, second and third).

MODERN APPLIANCES

More than three quarters of all homes in Canada have a radio, 40 per cent have telephones, 51 per cent have refrigeration and 24 per cent have electric vacuum cleaners.

SMART AS PEOPLE THESE GORILLAS

Sinbad, youngest of the infant gorillas whose "mental alertness" is being studied by students at Roosevelt College in Chicago, registers a shortcut in solving one of a battery of problem-solving tests. This test consists of having two strings, one baited with the animal's favorite fruit, laid out in different patterns on the board outside his cage. If he pulls the right string, the gorilla is rewarded with the attached fruit. Here Sinbad first takes the easy way out by attempting to grab the fruit without even worrying about the problem, then, having learned that you can't get anywhere in life without pulling strings, he proceeded to solve the "crossed-string test" 40 times out of 50 in the first series of trials. The tests, which started as a student project in animal behavior courses, have revealed that gorillas are almost as smart as anybody.

Donald Clement; Michael Udell and Bill Jackson, Teddy Furler and Donald Cosby.

Grades 7 and 8 Boys
Running—Ronald Bramham, Bill Nelles, Bill Clement.

3-Legged Race—Terry Vernon and Bill Clement; Ronald Bramham and Philip Barron; John Gillespie and LeRoy Rymal.

Wheel Barrow—Bill Clement and Terry Vernon, Ronald Bramham and Philip Barron, John Gillespie and LeRoy Rymal.

Slow Bike—Gordon McIntyre, Bill Lipsitt, Walter Stribell.
The boy and girl in each room receiving the highest number of points throughout the afternoon, were awarded a grand prize, while

all winners were given a coloured ribbon for the event which they won. The grand prize winners were:

Grade 1 and 2—Bruce Gramham, Judy Udell and Carolyn York (tied).

Grades 3 and 4—Gary Udell; Jean Lizak.

Grades 5 and 6—Blake Christie; Shirley Skleryk and Karen McIntyre, (tied).

Grades 7 and 8—Ronald Bramham and Bill Clement (tied); Elsie Skleryk, Vera Delay, Mary Jane Burgess (tied).

After a full afternoon of sports events, the children were given refreshments of hot-dogs, cold drinks ice cream and chocolate bars.

The Grand Prize which was offered by the Suzette Dancing School to the girl making the highest number of points in the whole school, was awarded to Jean Lizak.

NEW BREED FOR \$25

As payment for a \$25 debt, a small four-year-old horse was accepted by a Vermont in 1793. Given its owner's name, Justin Morgan, it became famous as the only horse siring a completely new breed—the renowned Morgan type. Besides a bronze statue that stands on the Morgan horse farm, which is operated by the U.S. Department of Agriculture in Middlebury, Vermont, the animal has been honored by several memorial plaques and has been celebrated in a number of poems, articles and stories. In 1939, the 150th anniversary of its birth was officially observed in Vermont and was commemorated by a horse show in Iowa.

A STEP IN THE RIGHT DIRECTION SAYS LANKY PLANKY

Yes, it's the right step . . . to build a home of your own and plan it with the help of a reputable Lumber Dealer.

The Best Way to Provide for Your Family's Future

When you build a home of your own you provide shelter and a good life for your family now, and in the future. As you pay for it, month by month, you are building a solid financial foundation for yourself. No matter what uncertainties the future holds, as long as your home stands you and your family have shelter, security and stability.

How Much Does It Cost?

Actually all your new home will cost you is the down payment, your monthly payments are both rent and savings. If you are renting, don't wait, for even if pro-

erty values declined in five or six years, you would be ahead—you'd still have a home, not just a pile of rent receipts. Moreover, with post-war shortages of material and labor over the quality of today's homes is better than it has been in years.

How to Go About Building

Consult the competent staff of our Home Planning Department, they are best prepared to assist with planning, financing and contractor selection to see that you receive the very utmost for your building dollar.

It May Be Easier for You to Build Than You Think!

DOMINION

(The Triumvirate)

Each year in June, 6 names are chosen from the list of 5th form girls students by the staff of GHS to compete for the I.O.D.E. medal. At the same time, 6 boys' names are also chosen to compete for the Lion's Club medal. This year was no exception and in Friday morning's assembly, the election was held.

The qualities to be taken into consideration by the staff in the selection of candidates and by the students in the voting are:

- (1) Diligence in studies and all other school activities.
- (2) Cheerful submission to authority.
- (3) Self-respect and independence of character.
- (4) Readiness to forgive offence.
- (5) Desire to conciliate the differences of others.
- (6) Moral courage and unflinching truthfulness.

The student, in order to win, must obtain 51% or more of the total votes cast.

This year, as the case has been several times, the long list of Upper School students was too hard to cut down, and consequently the staff selected 7 boys and 7 girls for the students to cast the deciding votes.

The candidates for the I.O.D.E. medal, voted on by the girls only, were Val Smith, Gerry Marsh, Dawn Kemp, Pat Merritt, Mary Morris, Eleanor Merritt, and Catherine Morrison. The boys, voted on by the boys only, were Earl Metcalfe, Ted Gayowski, Wally Janzen, Joe Ivanaki, Ron Arkell, Lorne Lindensmith, and Bernard MacMillan.

When the returns were counted, it was found that the male winner was Earl Metcalfe. The girl's election took 3 ballots for the winner to be decided on, showing the popularity of all Upper School girls. The final choice was Mary Morris. Congratulations to Earl and Mary, two very deserving winners.

After the election, prizes for the winners of the Writers' Club Literary Contest held during the year were awarded by the members of the magazine staff. All prizes were \$5.00 for each first; \$3.00 for second; \$2.00 for third; \$1.00 for Honourable Mention. This money and from contributions by the school board.

Prize winners for the Essays were:

Upper School—Don Mcogg and Wally Janzen, tied for first.

Middle School—Pat Harrison first, and Donna Marsh, second.

Honourable Mention—Gail Morton and Anne Marie Murdoch.

Lower School—John Butkovich, first, and Jean Krystopowicz, second.

Honourable Mention—Ann Gernham, Eugene Fedak and Alice Trant.

Our Poets are Bob Cole, first, and Diane Kemp, second and third.

The Art turned in could not be used in the magazine because of the cost—\$7 per page of art. However, special awards were given to:

Florence Smith, Ann Wade, Julia Papp, Diane Kemp, Barbara Mason, and Olga Pasowsky.

Mrs. Johnston has repeated her last year contest of Anthologies, providing prizes for the winners.

Mr. Piper and Miss Pougnet were the judges who awarded first prize to Bill Morris, second to Ann Terry and third to Marie Andreychuk.

Honourable Mentions were given to Marie Shafer, Helen Choroskiwsky, Ann Kuz, Alice Trant and Rose Truman.

"Studentus" has finally arrived! An entire school year has been recorded between the red covers of this magazine which was made possible through the hard work and effort of the students of GHS.

The magazine was to have cost 75c; 25c to be paid on ordering and the remainder on delivery. The cost has been cut now and only 25c is required to obtain your ordered copy of Studentus.

Words are cheap and we could all say thanks a million times to the magazine staff who has so ably edited our yearbook this year. Our advertising manager, May Morris, and her crew of solicitors did an excellent job of raising \$800 which, of course, is the backbone of the magazine.

Our Editor-in-Chief, Gerry Marsh, and her staff of editors worked long hours gathering material and arranging it in suitable order for printing. Without Alina Klwak and her assistant our Literary Contest could not have been staged. Mr. Piper deserves a nod for his part in doing all the necessary typing. Last, but not least, we must thank all our reporters who worked hard all year reporting on all school functions.

It was a large task at the time but it lessened the work for others in the end.

Mrs. Johnston was by thanking all the persons who

GRIMSBY BOYS WIN SOFTBALL TOURNAMENT

Last Saturday the Trail Ranger Group of Trinity United Church emerged champions from the Lincoln County Trail Ranger Softball Tournament held at Vineland.

Four teams entered the tournament representing Vineland, Louth, St. Catharines, and Grimsby. In the semi-finals Louth downed the St. Catharines team, while Grimsby defeated Vineland by a score of six runs to three. Grimsby met Louth in the final and won by a score of twenty runs to eleven.

Outstanding among the Grimsby players were Ronnie Moore, who pitched both games, and Walter Bonny, who starred in the outfield. The Grimsby line-up was as follows: Nelson Wood c. Billy Tennant 1b. John Mitchell 2b. Roy Wood 3b. Jim Durham ss. Walter Bonny lf. Robert Johnson cf. Donald Gies rf. Ronnie Moore p. (Capt.). Peter Bromley, Donald Lambert, Larry Lambert, alternates.

50th ANNIVERSARY

Mr. and Mrs. Harry A. Newton, R.R. 3, Beamsville, will be at home to their friends and neighbours on the afternoon and evening of June 14th, in honour of their 50th wedding anniversary.

IN MEMORIAM

BOWMAN—In loving memory of my dear mother, Sarah Adeline Bowman, who died June 5, 1948.

There comes a time to all of us When loved ones have to part. But treasured memories linger on. Forever in our hearts.

—Ever remembered by Daughter Laura and son-in-law John Sweet.

Canadians earning individually less than \$5,000 a year receive, as a group, more than 90% of the national income and own the majority of stock in Canadian industrial enterprises.

thing at all to do with the magazine but did you students stop to think just how much we owe Mrs. Johnston? A job such as the one we have accomplished, editing a school magazine of 112 pages, could never have been completed in a school the size of GHS if we had not had the leadership and advice of our Staff advisor, Mrs. Johnston. You've done a grand job, Mrs. Johnston, and we appreciate your guidance tremendously.

Bernie made a few closing remarks at this final assembly of the school year 48-49 thanking all the students for their co-operation during the year. We too must be proud of our Student President, who has pulled the Executive out of so many holes during the year and who leaves it with a comfortable balance to start with next year. Nice work, Bernie.

Our last assembly for the year ended very appropriately with the student body joining Mrs. Johnston's music singing the new school song—"GRIMSBY HIGH."

This week all students are writing final exams except Upper School which begins the 13th.

The 34th is the day to return to the halls of GHS for report cards and final farewells before holidays begin.

Speaking of farewells, we will be saying good-bye to two of our teachers this summer. Miss Pougnet and Mr. Davies are leaving us and will not be around next year to drill French and Maths into our heads. We presented them each with a little token of appreciation as a reminder of their days at GHS, and we hope they will be successful in everything they undertake in the years to come. Good luck, Miss Pougnet and Mr. Davies. While we will miss you both we are certain that our loss will be someone else's gain. Come back and see us at GHS sometime, won't you?

"The Triumvirate" wishes to take this opportunity in the final GHS column of the year to bid every student a happy holiday. We three have enjoyed reporting for you during the year and hope that you have been satisfied with the column. Until we see you next September, 'Happy Holidays' from Gerry, Ruth and Earl.

And a happy holiday to The Triumvirate and all students of Grimsby High. It has been our pleasure to bring to readers the activities of the school. The three editors have done a fine job throughout the year. Congratulations and all best wishes for the future.—Ed.

BREVITIES

EVENTS and TOPICS of the WEEK in TABLOID

Optimist Club meets TONIGHT.
Town council meets tomorrow night.

Township council meets on Monday night.

Chief of Police James is on holidays.

Make sure that your name is on the Voters' List.

Farmerette Camp opens this week at Grimsby Beach.

Precipitation for the month of May was 1.70 inches.

Help beautify Grimsby by joining in with the Jaycees Clean-up Paint-up Campaign.

Bingo fans can try their luck this Saturday night at Mac's Garage, Beamsville, when the Beamsville Citizens' Band are holding forth in order to raise funds for their bandshell. Thus far a little over a third of the sixteen hundred dollars has been raised. This amount includes a four hundred dollar government grant.

COMING EVENT

THE WOMEN'S ASSOCIATION of Trinity United Church are holding a Tea and Sale of Baking at the home of Miss Margaret Allan, 66 Main E., on Friday, June 10th, from 3 to 5.30. Admission 35c.

WOLF CUB PACK

1st GRIMSBY PACK
Last Friday part of the Pack laid a trail that led up to the Point while the rest attempted to follow it. Time had to be called before one of the three groups had found the trail layers.

Three new Chums were enrolled and Hans Yimmar received his First Year service Star.

This week the Pack have arranged a supper hike for Thursday night at 5 o'clock. Those who were absent on Friday should see Akela about the arrangements.

The 1st Grimsby Group have been invited to attend a public going-up ceremony of the 1st Beamsville Group on Sunday, June 19th. The troops and packs of the district are to meet at the Beamsville High School at 1.30 for their Observation Test and then parade to the Fairgrounds for the ceremony which will include a Scouts' Own.

Full uniform is important. See that yours is ready.

Probably the most appropriate name ever given to strong intoxicating liquor was "firewater," the term long used by the American Indians. In the early days, it aptly described much of the stuff sold to them—a boiled mixture of cheap alcohol, molasses, ginger, tobacco and red pepper.

EVENT OF THE YEAR

WATERLOO BAND FESTIVAL, SAT., JUNE 25th

Largest Musical Event on the Continent. Over 50 Bands; Bugle and Trumpet Bands; Piano Accordion Bands; Soloists; Great evening performance including brilliant fireworks display. Beautiful picnic grounds. Come early and stay all day and evening. Entertainment from 8:00 a.m. to midnight.

Ample Parking in Grounds.

WATERLOO PARK, WATERLOO, ONT.

Grimsby Lions Club

**YOUR CHILD'S WELFARE IS
OUR FIRST THOUGHT**

"CIVIC IMPROVEMENT COMMITTEE"

The duties of the Civic Improvement Committee of the Lions Club are too numerous to mention in detail, but in general they are as the name implies to improve our community, and make it a better place in which to live.

About a year ago the Club erected a grandstand at the public school grounds which cost about \$2,300.00. This grandstand was badly needed, as for years people attending the games had to stand. Now they can sit in the stand and watch the game in comfort.

Early this Spring the Club secured permission to clean up the property west of the Forty Creek and opposite Hewson's. For years this has been waste space and had grown into a "jungle." The Lions have cleaned this up and are now developing this property for use as a Park. Already over 300 truck loads of earth have been used for fill and the work of filling and grading is continuing. In a year's time this will be a place of beauty instead of an eye-sore.

All of these projects cost money which the Club must make. In supporting our Carnival, the money you spend will be put to good use.

**The Lions Club Carnival Is Their Annual Appeal
